Food Menu

At Horizons Lounge, our menu is a celebration of both local flavors and international influences, offering something for everyone to enjoy. Begin your culinary journey with our *Dutch-Style Bitterballen*, golden croquettes filled with savory plant-based 'beef' ragout, paired with a tangy Dijon mustard dipping sauce—a perfect introduction to our fusion of Dutch and island influences. If you're in the mood for a rich, comforting start, our *Creamy Pumpkin Soup* is made with the local Aruban calabaza squash, coconut milk, and a delicate black bean coulis, offering both a vegan and gluten-free option.

Our appetizers range from light and refreshing to bold and indulgent. Try our *Shrimp Tempura Taco*, featuring crispy shrimp with caramelized onions, slaw, and a spicy papaya aioli, or savor the *Keshi Yena Quesadilla*, a twist on the island's famous chicken-filled cheese dish, served with guacamole, sour cream, and pico de gallo. For those seeking something fresh and hearty, the *Caribbean Cobb Salad* brings together ripe avocado, sweet plantains, grilled pineapple salsa, and cilantro-lime vinaigrette for a tropical crunch.

For main courses, we offer a variety of hearty options that satisfy every craving. The *BBQ Baby Back Ribs* are slow-cooked to perfection and glazed with a house-made rum BBQ sauce, while the *Filet Mignon Oscar* combines succulent seared filet with lump crab and a creamy mustard-cognac sauce. If you prefer something lighter, the *Grilled Tuscan Salmon* with herb-marinated salmon and garlic herb sour cream is a Mediterranean-inspired delight. We also offer *Kibbeling Amsterdam*, crispy battered white fish bites served with house tartar sauce, evoking the flavors of Dutch street food.

Vegetarians and vegans will find plenty to enjoy too. The *Sun-Kissed Summer Pasta*, tossed with lemon-garlic olive oil, fresh vegetables, and a truffle Dijon cashew sauce, is a perfect example of a plant-based, flavorful dish. The *Tofu Peanut Satay Stir-Fry* is another highlight, with colorful stir-fried vegetables in a creamy peanut sauce, served with crispy cassava chips for an extra crunch.

For dessert, indulge in our rich and decadent options like the *Crème Brûlée*, a smooth vanilla custard with a crisp caramelized sugar top, or the *Warm Fudge Brownie*, served warm with dark chocolate drizzle and a scoop of caramel ice cream. If you're looking for something uniquely Aruban, try the *Coco Dushi Gelato*, a coconut-flavored gelato served in a coconut shell and flambéed with local rum.

No matter your taste, Horizons Lounge offers a dining experience that's both diverse and satisfying, with options that cater to every dietary preference. Whether you're here for a light bite or a full meal, our menu pairs perfectly with the stunning views and relaxed island atmosphere.
