ONE OF A KIND – NEW RESTAURANT ON THE SEVENTH FLOOR OF THE HERITAGE-PROTECTED FLEMINGS SELECTION HOTEL FRANKFURT-CITY.

THE NEW RESTAURANT CONCEPT BRINGS TIMELESS FLORENTINE ELEGANCE TO FRANKFURT'S SKYLINE.

A one-of-a-kind view out onto the city skyline on one side, a travertine wall of raw tiles and handcrafted cathedral glass in light blue, green, yellow gold and rosé on the other. Guests take their seats for dinner on oiled oak benches and ample chairs upholstered in Rubelli fabric. Featuring Italian green marble tiles, oiled oak and hammered brass, the free-standing bar at the end of the restaurant blends perfectly into the room. The kitchen is partially visible at the other end of the restaurant.

OLIVIO D'ORO

OCCHIO D'ORO RESTAURANTS – THE CULINARY HEART OF THE FLEMINGS HOTELS.

The menu puts regional Italian cuisine in the spotlight, with modern twists on classic Tuscan-Florentine dishes. For example, Brasato “Super Peposo”, Bistecca Fiorentina with grilled Cima di Rapa or Branzino in a salt crust. All dishes can be served “family style” – to share. The menu changes with the seasons. Alongside a selection of sparkling and by the glass wines, the wine list includes around 90 bottled wines, predominantly Italian but also featuring German highlights from the Rheingau, Mosel and Pfalz wine regions.
