We had the most magical wedding weekend at Sebasco Harbor Resort! It is truly a wonderful venue with delicious food, attentive staff and breathtaking views of the harbor. Having all of our events and lodging on the property made the whole weekend fun and easy for our friends and family traveling in from out of town. This resort is one we want to visit every summer- we truly couldn't recommend it enough. A huge thank you to Nicole and the rest of the Sebasco Harbor staff for such an amazing weekend!

If you are a bride and groom looking to get married in Maine for the beauty of its coast, look no further than Sebasco Harbor Resort. We had our wedding there in August, and it was amazing. The property is beautiful, the staff is helpful and kind, and Nicole, the coordinator, is fantastic. Our family and friends enjoyed the pool, kayaks, golf, candlepin bowling and all the other activities Sebasco has to offer.
