Springtime, family time, mountain experiences

CARNIVAL WEEK PROGRAMME FOR CHILDREN

16 February to 23 February 2026

An unforgettable carnival experience for our young guests.

From 16 to 23 February 2026, our young guests can look forward to a thoughtfully curated carnival week programme full of creativity, movement and a spirit of discovery. The programme is designed for children aged 3 to 12 and is split into two age-appropriate groups.

Under the motto “Experience, explore and enjoy Carnival”, we combine nature experiences, culinary workshops, sporting activities and exciting experiments, led by qualified childcare professionals in a cheerful carnival atmosphere.

Nature adventures with imagination

Be outside. Be amazed. Learn.

CARNIVAL RANGER ACTIVITIES

On our Carnival Ranger adventures, children explore nature through play:

- **Create animal carnival masks:** imaginative masks made from natural materials
- **Treasure hunt in the carnival forest:** riddles and challenges for little explorers
- **Colourful nature detectives:** collect and craft carnival “clues” found in nature
- **Carnival bunting and garlands:** make your own decorations for the carnival room
- **Costume expedition:** young researchers dress up and enjoy outdoor adventures

HANDBALLCAMP WITH DOMINIK KLEIN

Experience sport, fun and team spirit with Dominik Klein, former handball world champion, from 16 to 20 February 2026.

What can you expect?

On activity days, children of all ages can get moving, discover new sports and learn from a true professional. Dominik Klein shows, in a playful way, how movement not only keeps you fit, but also brings real joy.

Who is it for?

Children and teenagers of all ages. Whether beginners or sports enthusiasts, there is something for everyone.

Highlights

- Exciting exercises and games for all age groups
- Tips and tricks from the handball world champion
- Boosting team spirit and coordination
- Fun and motivation take centre stage

MASTERCHEF ACADEMY: CARNIVAL EDITION

At the MasterChef Academy, children dive into the world of cooking:

- **Bake colourful carnival Krapfen (Austrian doughnuts):** decorate a traditional treat creatively
- **Create mini carnival doughnuts:** snack, decorate and make your own creations
- **Mask pizzas:** shape pizza dough and toppings into fun carnival designs
- **Carnival smoothie party:** mix colourful, healthy smoothies
- **Decorate carnival cupcakes:** creative toppings with sprinkles, icing and bright colours

Creativity, enjoyment and playful learning take centre stage.

Wonder meets confetti

Carnival becomes an experiment

SCIENCE ACADEMY

In our Science Academy, Carnival becomes an exciting research experience with five child-friendly experiments:

- The magical mask colour laboratory
- The confetti volcano
- The colourful carnival magic potion
- Dancing streamers
- The big carnival bubble experiment

Science is presented in a clear, entertaining and age-appropriate way.

A celebration full of masks and music

Let the little stars take the stage

CARNIVAL PARTY FOR CHILDREN

Our cheerful carnival party invites children to a colourful experience full of fun, creativity and movement. Highlights include the big costume competition, where children can present their most creative outfits, as well as lively dance rounds to carnival music.

In addition, our young guests can look forward to varied games, colourful surprises and plenty of confetti, creating excitement, joy and unforgettable moments.

The carnival party is suitable for children of all ages and is professionally supervised by our experienced team.

A photograph of a young girl with long brown hair, smiling as she draws with a red crayon on a piece of paper. She is sitting at a light-colored wooden table. In the foreground, the back of another child's head is visible. On the table, there is a white bottle of glue, a red crayon, and a small container holding many colorful crayons. The background is softly blurred, showing what appears to be a bright, airy room.

A space to feel safe

Suitable for every age
