A compass gives you direction and helps you to find your way home, in this case to COMPASS Kids Club where all our kids are welcomed.

COMPASS Kids Club is situated on our family island and is made up of an expert, passionate and dedicated team that offer a fun and educational range of arts, crafts, games and sporting experiences that will excite and create a space for new discoveries and friendships.

Our Kids Club uses a child-centered approach, where our team pay close attention and respond to each kids interests, abilities and learning style. Using a variety of hands-on materials, learning is made fun and functional. The kids have opportunities to explore a wide variety of activities and play materials, which promote their motor, cognitive, social emotional, adaptive and communication development.

The activities are balanced between indoor and outdoor play activities, as well as a variety of individual, small group and large group activities.

Our mission is to enhance the lives of children and their families during their stay and we do this by offering a vital vacation and community service which includes quality inclusive activities as well as selected chargeable activities for kids.
