Pendray Inn and Tea House Wedding F.A.Q.

Are there any restrictions on the number of guests I can invite to my wedding venue?

Our venue can gracefully accommodate up to 80 guests for a sit-down dinner, or up to 100 guests for a fabulously elegant cocktail reception.

How does seating work at the Pendray Tea House?

We know bigger weddings mean bigger celebrations, so we typically set up tables for 2, 4, or 6 guests each depending on your preference. But don't worry, for more intimate affairs we can easily switch things up and create larger tables for 8 to 10 guests per table. It's important to keep in mind that our venue's unique layout means tables will be spread throughout different rooms, adding to the charm and character of your special day.

Are we allowed to bring our own food and/or beverages?

We understand you may have a special dish or wine in mind for your big day, but unfortunately, outside food is not allowed at the Pendray Tea House in compliance with food safety regulations. Not to worry though, as we offer a lovely Afternoon Tea service and our catering partners, Truffles Catering, provide unique and delicious catering options for your reception or dinner. Plus, per BC liquor bylaws, all beverages must be provided by the venue. But, if there's a specific wine you have your heart set on, we offer a corkage fee of $25 per bottle for dinner.

Can we bring our own wedding cake?

We know a wedding cake is a special tradition, and we're happy to accommodate! You're more than welcome to bring your own cake for your wedding celebration, as long as it's been prepared in a commercial kitchen. Just a heads up, there will be a small $100 fee for cutting and plating – but it's worth it for the picture-perfect dessert display.

How much will my wedding cost?

The cost of a wedding can vary greatly depending on a multitude of factors that contribute to its overall price tag. These factors encompass the chosen package, the season in which the wedding takes place, the size of the celebration, the selected day of the week, and the time of year. For more intimate weddings, you can anticipate a minimum cost of $1,200, whereas larger weddings can span a range of $2,600 to $9,700, excluding food and beverage expenses.

Can we offer discounted rates for our friends and family attending the wedding?

Absolutely! Your guests are our guests, and we would be honored to host them for your special occasion! Luckily, our sister property, the Huntingdon Manor Hotel, is conveniently located right next to the Pendray Tea House, providing the perfect "all in one" solution for your wedding guests. Let's make it a day to remember!

Is there a bridal suite or dressing room available for the bride and bridal party?

We want to ensure your special day is as stress-free as possible and would be thrilled to arrange a space just for you to prepare for your big day. And if you want to add some extra pizzazz, just say the word and we'll have some delicious bubbly and snacks ready for you.

What taxes and surcharges should we consider in our budget?

We want to make sure you have all the information you need for budgeting purposes. With that being said, we do add an 18% service charge to the venue rental and all food and beverage, along with 5% GST. For alcohol, we add a 10% PST and for audio visual, a 7% PST. It may seem like a lot, but we promise the experience you'll have at the Pendray Tea House is well worth it. Cheers to a memorable celebration!

Are there any restrictions on music or dancing at the wedding venue?

Get ready to bust a move because the dance floor is all yours! We do ask that you keep in mind our other guests in-house and keep the noise down past 10pm. If you've purchased our exclusive Pendray Experience Package, you have the green light to dance until midnight!

Does Pendray Inn and Tea House offer wedding services like photography, decorations, and flowers?

We're here to provide the essentials for your special day – chairs, tables, white linens, and standard tableware, glassware, and cutlery. Plus, we have a lovely ceremony wedding arch for those tying the knot with us. As for the rest, it's your chance to get creative and add your personal touch. We're happy to recommend some fabulous local suppliers, but it will be up to you to reach out to them directly. Let's make your wedding day uniquely yours!

What is the SOCAN fee?

Think of SOCAN fees as your wedding playlist's BFF. They ensure that the talented artists behind your favorite tunes get their fair share of the love. These fees go towards supporting songwriters and musicians across Canada, so they can keep creating the amazing music that helps make your big day unforgettable. It's a small but important way to show our appreciation for their hard work and talent. The fee is already included in your wedding package price.

What is the cancellation policy?

We know that sometimes life throws a curveball and plans change. If the cancellation occurs more than 6 months in advance, the deposit will be retained. For cancellations between 6 and 3 months, 25% of the contract value will be retained, while between 3 months and 30 days, 50% of the contract value will be retained. If the cancellation takes place within less than 30 days remaining, 100% of the contracted revenue will be applied.

How do we secure our wedding date?

To secure your wedding date, we will need you to sign our agreement and provide a minimum non-refundable deposit of $1,000. It's a small but important step towards creating a day that you and your guests will remember for a lifetime.
