

Gastronomic Guide

Each one of the seven restaurants at the Marbella Club cleverly complements one another for a guest journey that is a true delight to the senses.

From the iconic and polished service of The Grill restaurant with a second-generation *asador* at the helm, to the informal seaside vibe of MC Beach, there is only one objective in mind: for you to return.

Our discreet approach to gastronomy is based on the art of selecting fresh and quality produce that speaks for itself. Understated luxury with an easygoing attitude.

THE GRILL

A sense of old-world magic

Our master of the grill has followed in the footsteps of his father, Roque, to offer time-tested recipes brought to life over a crackling fire. Legendary silver service, the twinkle of the decades-old candles on the outdoor terrace, and the stir of the soaring pines complement the finest, heart-warming cuisine.

MC BEACH

The essence of summer

MC Beach takes a cue from Malaga's traditional chiringuitos, laid-back fish and seafood restaurants right on the beach. Brushed in blues and whites, it's where tables buzz with generations of locals for sangria-fuelled lunches over sardinas al espeto. The perfect seaside siesta to sunset-watching address.

BEACH CLUB

The place to be seen

Our sun-splashed Beach Club joyful look takes its inspiration from the historical 'palapa' roof and reminiscent of 1950's Acapulco, once the playground for the world's elite - and our Prince Alfonso von Hohenlohe. Enjoy a new raw bar featuring refreshing Mexican-inspired seafood dishes, such as ceviche and aguachile. Two grills serve up freshly caught fish, an array of seafood and salads.

GARDEN POOL

Fresh, laid-back, in the heart of the hotel

Tucked into one of the sunniest corners of the hotel, the Garden Pool brings together easygoing poolside living with fresh Mediterranean flavours. Think garden salads, grilled fish, colourful bowls and a few family favourites — simple dishes to share, often turning into leisurely lunches. Whether you've just stepped out of the water or dropped by for the food, this is the spot for a laid-back bite under the sun.

EL OLIVAR BY CHEF ANDRÉS AT ANA MARIA POOL

At El Olivar, Chef Andrés Ruiz lets the garden lead the way, creating each day's menu around what's growing at Finca Ana María—just steps from the kitchen. Set beside the adults-only pool, the restaurant sits within the finca itself, surrounded by more than 300 seasonal varieties that shape its plant-led offering. The result is a daily-changing selection of vibrant, nourishing dishes—rooted in the land, guided by the season and prepared with care and creativity. *We welcome resident guests over the age of 16.*
