Group Room Block Policy

Option #1

The hotel will block 10 rooms or more on Peak Night (1 night) for any length of stay and provide a 30-day cut off. Once group is 30 days out from the function, any rooms not reserved by their guests will go back into general inventory for the hotel to sell at the prevailing rate. If 80% of those rooms being held are not picked up, it then becomes the responsibility of the group contact to pay for those rooms. The Hotel will permit reduction of up to 20% of hotel room nights being held 60 Days prior to event. This addendum will apply to all room nights and early arrivals and late departures will not be included in the calculations. Room night attrition more than 20% prior to 30 days will be billed at the RATE per room night less the number of rooms that have been resold. **Best for Groups with a guaranteed guest count and rooming list.** Credit Card must be on file.

Option #2

The hotel will provide a courtesy discount up until 45 days before the event. There will be no inventory or block of rooms held; it will be based off the availability of the hotel. Once the 45-Day Cut-Off hits, the Group discount will no longer be available, and it will be based off the prevailing rate of the Hotel. **Best for Groups with individual reservations.** A direct link to your Group's personal page on the Bilmar website will be created for easy reservations.
