PERFUMER LONDON

VALENTINE'S DAY AT THE STAGE, THE LONDONER WITH MILLER HARRIS
Enjoy a scented apéritif moment.

January 2023 - Leicester Square's super boutique hotel, The Londoner, has collaborated with couture British fragrance house, Miller Harris to add a unique cocktail and perfume pairing to the menu at The Stage - the property's signature champagne bar, situated in the hotel lobby. ***The Stage Muse*** apéritif will be served from 6th - 19th February in celebration of Valentine's Day.

Expertly created by The Londoner's innovative in-house Mixologists, ***The Stage Muse*** is inspired by London Perfumer, Miller Harris' latest fragrance, *Myrica Muse*. It blends notes of rose, red fruits and Jasmine, made with East India Company gin, Muyu Jasmine liqueur, citrus cordial, Jasmine tea infused with freeze-dried strawberries and topped with Billecart-Salmon Brut Rosé Champagne NV.

The limited-edition cocktail will be served alongside an enchanting vial of *Myrica Muse* - a fruity, floral, musk Eau de Parfum with notes of bayberry, rum and rose, making for a multisensory and indulgent experience in the plush environs of The Stage, delicious on its own or as a special finishing touch to Afternoon Tea. And because a stage is not a stage without performance, guests at The Stage on Thursday, Friday and Saturday evenings as well as Saturday and Sunday afternoons can enjoy the cocktail with the accompaniment of live music.

Most-observant visitors of The Londoner will note that Miller Harris products can be found throughout its bathrooms. The two contemporary London brands are united in their embracing of the very best of British luxury, heritage and culture making this a truly special partnership.

The Stage Muse is available from 6th - 19th February at The Stage, The Londoner priced at £18.

Miller Harris:

Founded by ground-breaking perfumer Lyn Harris in 2000, Miller Harris is a luxury British fragrance house committed to breathing life and colour into the perfumer's art.

Rooted in the culture of contemporary London, Miller Harris seeks inspiration from the variety that the city offers, imparting a sense of beauty, optimism, and discovery to customers.

When creating fragrances Miller Harris starts with nature, framing precious botanicals in complex ways, finding richness in simplicity. Fiercely protective of the environment, the brand uses the finest natural ingredients, which are all ethically and sustainably sourced, and turns to synthetics when more responsible to do so.

Miller Harris boutiques can be found in Covent Garden Market and Monmouth Street, London, and online.
