

YOUR IDEAL VENUE FOR  
SOCIAL EVENTS & MEETINGS

## MEET WITH OPULENCE AND DISTINCTION

### PLAN YOUR EVENT

At Palazzo Versace Dubai, we ensure that our lavish venues bring the best experience that leaves a lasting impression on those you invite. Featuring exceptional design, finest culinary, attention to detail service and outstanding facilities, each celebration marks us as an ideal venue as a world-class event destination.

Our Gala Ballroom, meetings spaces and outdoor functions can be organised in your preferred style in our exquisite event spaces that can accommodate from 10 to 900 guests. The magnificent Gala Ballroom with its beautiful pre-function area provides the perfect setting for your exclusive events, such as weddings, award functions, fashion shows and corporate gala dinners. Outdoor functions can also be provided in our sophisticated Como Garden surrounded by the palm trees and flowers and with the scenic views of the Dubai Creek.

Our three elegantly furnished meeting rooms located close to the Gala Ballroom are equipped to accommodate private meetings, conferences and company events. Our Business Centre located on the first floor, features a variety of versatile function spaces – ideal for conferences, breakouts, luncheons and each meeting room is directly connected to a beautiful terrace overlooking the Dubai Creek.

## BALLROOM

A spectacular venue to host magnificent events, our lavishly decorated Gala Ballroom can accommodate up to 900 guests and can be divided into three separate spaces where each can host a range of events such as weddings, gala banquets, private dinners and cocktail receptions.

The ballroom is exquisite in its decoration with the glittering centerpiece chandeliers, natural daylight and a lovely patio that complements the luxurious experience.

## MEETING ROOMS

Our three meeting rooms - Milano, Roma and Venezia, located next to the Gala Ballroom, feature sophisticated settings that can accommodate from 16 to 50 guests. Each meeting room has a stylish design in a private and self-contained area, high quality technical facilities, dedicated service and a selection of savory menu items making it ideal for corporate events, private meetings, seminars and trainings.

## PRE-FUNCTION AREA

Featuring a regal setting with unique classical columns, the pre-function area serves as a perfect extension for exhibitions, lunch breaks, networking and pre-dinner cocktails. It measures approximately 590 sqm and is directly connected to the Gala Ballroom, as well as the three meeting rooms – Milano, Venezia and Roma.

## BUSINESS CENTRE

For intimate and private meetings, our three Business Centre meeting rooms can accommodate a maximum capacity of 16 guests each. The meeting rooms have a spectacular outdoor terrace overlooking the unobstructed views of the Dubai creek.

The Business Centre offers all administration and secretarial support to ensure every aspect of your meeting is covered. Tea and coffee making facilities are also available in each of our meeting rooms.

## COMO GARDEN

With the stunning garden setting and the scenic view of Dubai Creek, Como Garden can be the venue for your outdoor events. Guests can customise functions and weddings with the help of our dedicated service team.

Como Garden can accommodate up to 250 guests with a round table set-up and 300 guests with a cocktail set-up.

## FACILITIES

Audio-visual services play an important role in the overall success of your event. Our audio-visual partners maintain an office on property and offer the technical expertise and equipment necessary to flawlessly deliver a spectacular event. Their services include, but are not be limited to:

Experienced staff and professional technicians | 3D designs and on-site renderings  
Event consultation and show supervision | LED, decorative and intelligent lighting  
Superior sound systems | Video conferencing, webcasting and event archiving  
Technical and creative set design | Computer data display | Projection specialists

Our meeting spaces are equipped with state of the art audio-visual equipment, from inbuilt ceiling speakers, LED TV Screens and iPad for systems control in order to have a successful event. Wireless internet is available in all public spaces to allow guests to remain connected throughout the duration of the event.
