TET HAMPER 2026 COLLECTION

The Steed of Prosperity

The Steed of Prosperity

Appearing throughout countless masterpieces of ink-wash painting and standing seventh in the Twelve Zodiac Animals, the Horse has long been a symbol of freedom and unrestrained vitality in Eastern culture. Its powerful form, slender frame, flowing mane, and echoing hoofbeats portray resilience and endurance – qualities praised by the ancients in the saying “As distance tests a horse's strength”, and invoked as an auspicious blessing in “May success come galloping to you”.

With the image of a horse moving gracefully, dressed in auspicious hues of red and gold that embody the spirit of traditional Tet – The Steed of Prosperity collection symbolizes a flourishing and fortunate beginning. Elevated by exquisite embossed detailing and the signature Fleur de Lys emblem of Park Hyatt Saigon, the two refined gift box designs are thoughtfully crafted to convey sincere blessings to family, friends and valued partners, as the 2026 Lunar New Year of The Horse draws near.
