Tea Menu

Organic Peppermint

Due to its medicinal benefits, peppermint tea has been celebrated in Europe and Asia for thousands of years. It is well known to ease digestion, relieve headaches and invigorate energy. The perfect cup after any meal, to revitalize your mind, body and soul.

Organic English Breakfast

A soothing awakener is our robust and rich English breakfast tea. Powered by antioxidants and vitamin B, which makes it a cup of flavour and wisdom, and an incredible kickstart to your day.

Organic Chamomile

Egyptian chamomile flowers, beautiful and delicate, can reduce anxiety, ease digestion, soothe the nervous system and assist with inflammation.

Organic Sencha Green Tea

Packed with rich anti-aging and antioxidant benefits, this authentic Japanese sencha green is loved by tea connoisseurs for its natural sweet and earthy flavour.

Tea Menu

Organic Rose Chai

Signature rose chai is a decadent edition for the spiced tea lover. An incredible arrangement of premium black tea blended with Ayurvedic spices and pampered with a tint of rose beauty. This chai will warm and cuddle you from head to toe.

Organic French Earl Grey

Paris and London permeate this romantic infusion of premium black tea with bergamot oil, that is doused in layers of floral lavender and rose petals. This twist of the classic English Earl Grey, absolutely delights the palate coupled with a bouquet of French elegance.

Organic Lemongrass and Ginger

An uplifting herbal infusion that combines refreshing lemongrass and zesty ginger, all of which brings benefit to digestion and supports inflammation. This anytime blend is the king of comfort.

Organic Purple Rain

The prince of teas, is a dance of Ceylon black infused with accents of fragrant lavender, balanced with the sweetness of fruity notes. An outstanding blend for the tea adventurer, who loves a cup morning, noon and night.
