ESCAPE TO WA'S COASTAL CITY - A SLICE OF PARADISE

Here are some of our top recommendations when exploring this booming and cosmopolitan, regional city.

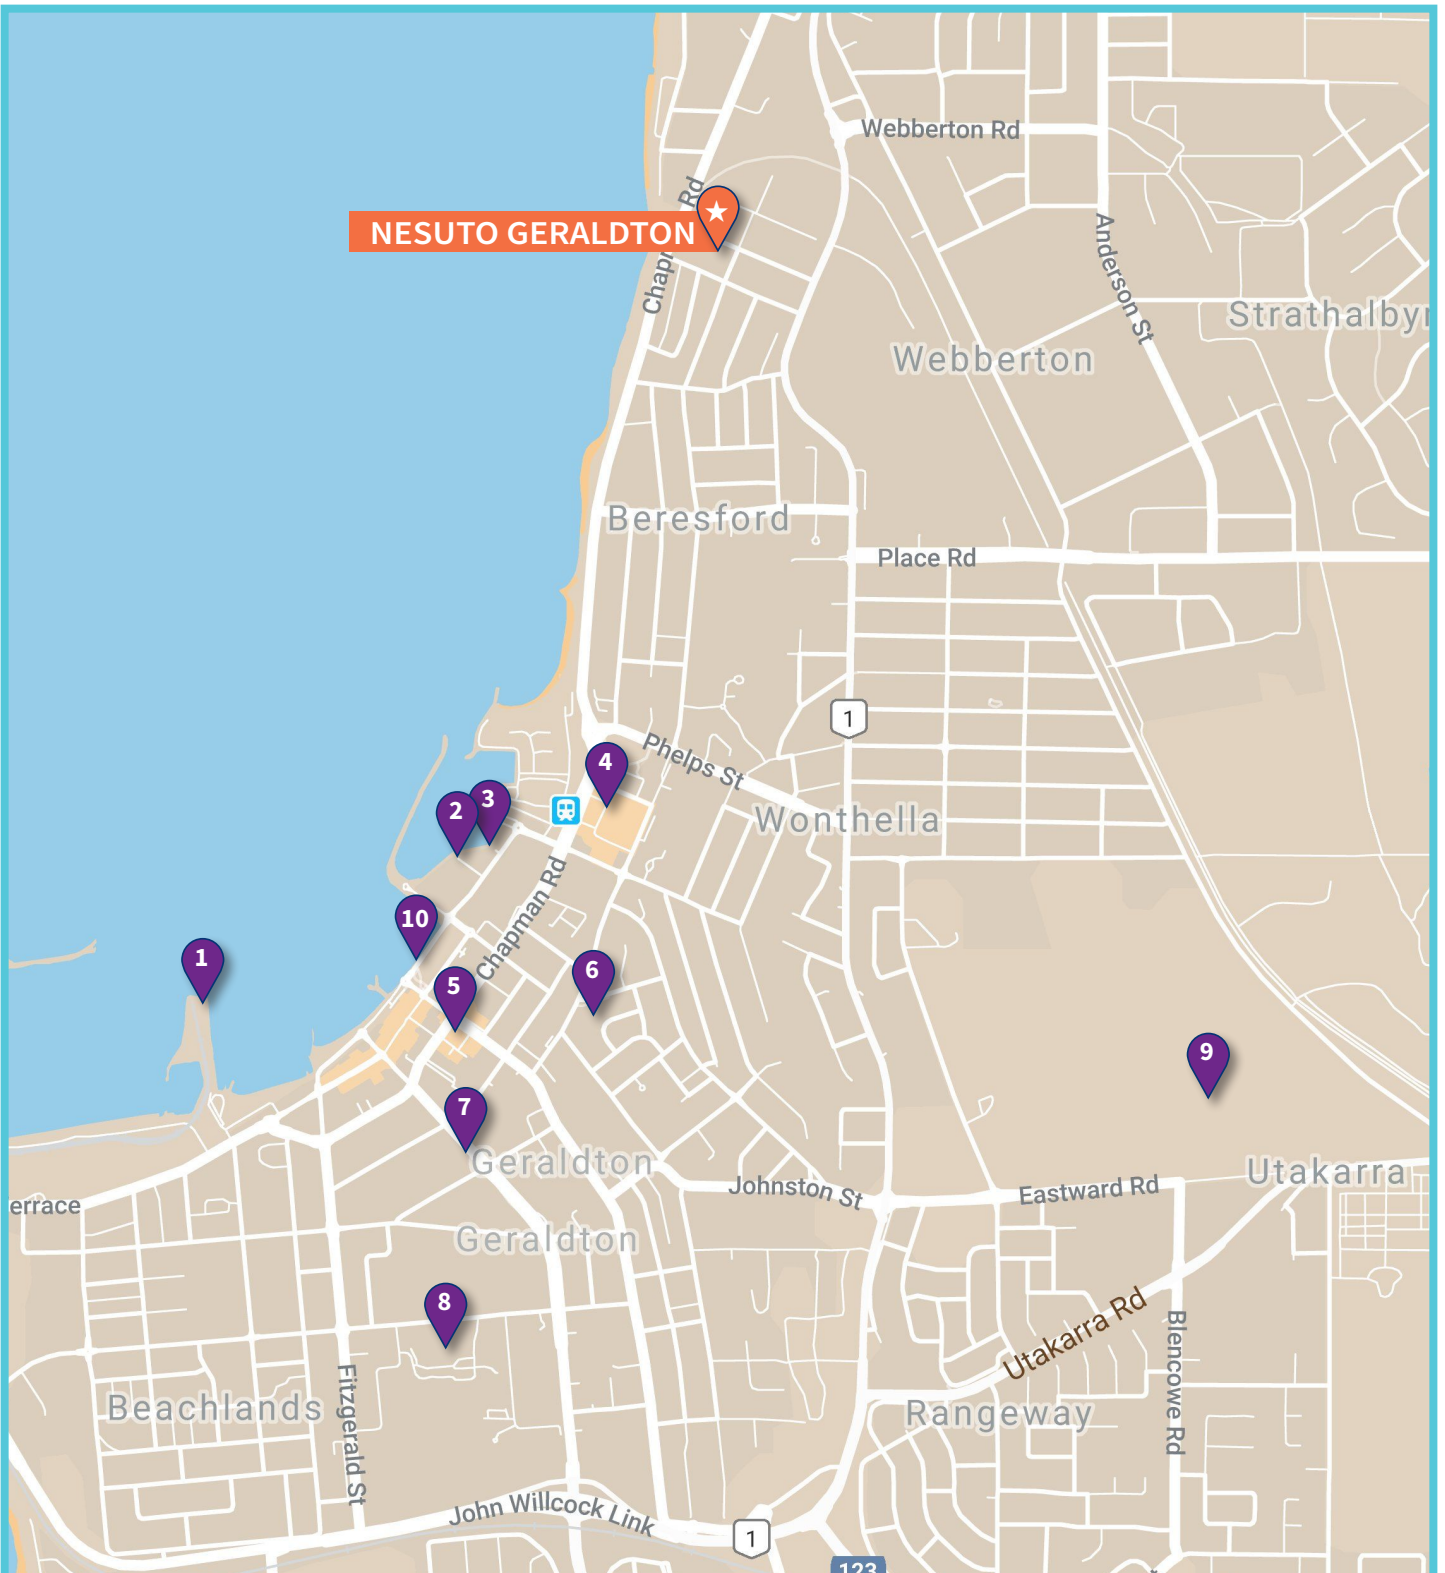

- Take a walk along the new Geraldton Foreshore and watch a stunning sunset on the beach.
- Our region is the heart of wildflower country in Western Australia. Stunning displays of wildflower can be viewed between late July to early October all over the Midwest.
- Take a day trip to the Abrolhos Islands, one of the top tourist attractions on the Coral Coast for some fishing, bird watching, snorkelling and diving.
- We are within walking and cycling distance to Geraldton's marina and the town centre, where you can enjoy some of the mid-west's best cafes, restaurants, bars and shopping.
- If birdseye views are more your thing, take flight with Shine Aviation and experience the Pink Lake, Abrolhos Island or Kalbarri Flyover Tour.
- On land Geraldton is the perfect base for self-drive tours - we suggest a road trip up to Kalbarri. Visit Kalbarri National Park, settle down for a picnic lunch and take in the incredible views from the Kalbarri Skywalk. Or drive north to Port Gregory, a picturesque town known for its fishing and surrounded by five kilometres of coral reef, and a visit to the stunning Pink Lake is a must.
- Enjoy a tour of the Museum of Geraldton, to learn about history, heritage and culture of the Midwest region.
- No visit to Geraldton is complete without a visit to the HMAS Sydney Memorial. HMAS Sydney Memorial II was the only Australian ship that lost its entire crew in an attack during WWII. The memorial is up on a hill and seen from much of the town, volunteers are available daily and offer fascinating free tours.
