

# THE MILNER YORK

At The Milner York, we know dogs are part of the family and are delighted to welcome well-behaved four-legged companions. To ensure every guest enjoys a comfortable stay, we kindly ask dog owners to follow the guidance below during their visit.

By bringing your dog to the hotel, you are agreeing to these house rules, helping us provide a warm welcome for all our guests.

In accordance with our commitment to accessibility and inclusion, the provisions of this dog policy do not apply to assistance animals accompanying guests.

## A Small Charge for Wagging Tails

Dogs stay for £30 per night per dog, with selected dog-friendly bedrooms available and a maximum size of 30kg. Dog beds, bowls, treats and waste bags are provided in your room.

## Where Dogs Are Welcome

Dogs are welcome in selected bedrooms, the lobby, The Swollen Gambler, The Garden Room and throughout our hotel grounds and gardens.

Whilst exploring the hotel, we kindly ask that dogs remain on a lead and close to their owner in all public areas.

## Dining with Dogs

Whilst pets are not permitted in Peachey's Bar & Grill or the Leisure Club, all day dining is available in The Swollen Gambler and The Garden Room where dogs are welcome to join you. This includes, breakfast, lunch and dinner.

We kindly ask that dogs remain off the furniture at all times.

## Unattended Dogs

Our team members are unable to enter bedrooms whilst an unattended dog is inside. If you do need to leave your dog for a short period, please ensure Reception has your contact number and display the dog-in-room sign on your door.

We respectfully request guests to remain within the hotel whilst their dog is unattended. Dogs must not be left alone if you leave the hotel grounds.

## Good Dog Manners

We would appreciate that dogs are kept under control and that owners remain mindful of the comfort and enjoyment of other guests.

Should persistent barking, disruptive behaviour or damage occur, we may ask that dogs are removed from public areas and, in exceptional circumstances, from the hotel.

Owners are responsible for their dogs throughout their stay, and additional cleaning, repairs or damages may be charged accordingly.

### Explore York Together

With York Railway Station on its doorstep, The Milner York can be reached by guests and their dogs from across the UK.

Our gardens provide the perfect spot for an early morning stroll or evening sniff around.

Just a short walk away, the beautiful Museum Gardens offer plenty of green space to explore, while City Cruises welcome dogs aboard for a leisurely trip along the River Ouse.

For a fun way to discover the city, the City Sightseeing Hop-On Hop-Off bus departs from directly outside the hotel and dogs are welcome to join the adventure.

### Other Pets

This policy applies to dogs only. Unfortunately, we are unable to accommodate other pets.

Please do not hesitate to contact our reception team at [reception@themilneryork.com](mailto:reception@themilneryork.com) if you require assistance or would like further information on the hotel.

We all love dogs and are more than happy to help!
