## FRENCH CHEESE TABLE

### Ashed Goats Cheese Jacquin Buchette

Mild and tangy fresh chevre with a slightly moist texture and a dusting of ash that contrasts beautifully with the pure white interior.

Goats milk

### Petit Cantal AOP

Uncooked pressed curd cheese with a sharp, tangy and grassy flavour. Very balanced with a lovely texture.

Cows milk

### Brillat Savarin

Deliciously creamy with a slightly chalky centre when young, the texture gradually breaks down until it can be scooped from the centre with a spoon.

Cows milk

### Ossau Iraty AOP

With a minimum of 12 months aging, Ossau Iraty shows the complex and varied qualities that only appear in fully developed cheeses. It has big herbaceous flavours, nuttiness and a sweet clean finish.

Sheeps milk
