Bay Gardens Resorts' New Year's Eve Recap

New Year's Eve is always an exciting time at the Bay Gardens Resorts. This year was no different as we hosted three events to bring in 2023 in grand style. Twilight was held at the Bay Gardens Beach Resort & Spa's Hi-Tide restaurant, where guests were treated to a delectable Caribbean buffet with a wide variety of appetizers, meats, salads, a pasta station and so much more. This was paired with the finest rums, wines, and cocktails, made perfectly by our in-house bartenders. The night ended with a champagne toast on the warm sand of Reduit Beach as guests gathered for the new year countdown, followed by an exquisite firework display.

The Beach Resort was not the only place bustling with excitement as the Bay Gardens Hotel hosted its Masquerade Ball on New Year's Eve. In keeping with this legendary yet elite theme, the décor and atmosphere at the hotel was absolutely regal. Guests and staff alike wore beautifully decorated masks as they indulged in the array of local and international dishes while grooving to the pulsating sound of the best entertainment. Patrons described the Masquerade Ball as truly unforgettable and are already looking forward to what next year has to offer.

The Anchor Restaurant at the Bay Gardens Marina Haven also came alive with their event dubbed Heels & Tuxedos. Ironically, however, it was very difficult to keep the heels on, as guests quickly kicked off their shoes and partied their way into the new year. The Marina Haven intrinsically paired the ultimate party experience with a mouth-watering buffet dinner and unlimited drinks which made for a night worth remembering.

Irrespective of where you chose to celebrate, New Year's Eve was definitely a vibe at Bay Gardens Resorts. For highlights from all three amazing events, please [click here](#).

Featured Employee – Unice Calixte

Unice Calixte is our featured staff member at the Bay Gardens Resorts for January 2023. Described as a ray of sunshine by her colleagues, Unice has been employed with the resort chain for the last 10 years. During her tenure, she has worked as a reservation's agent, reservations supervisor and her most recent appointment, front office manager. When asked what she liked the most about working with the Bay Gardens Resorts, she mentioned that she loves its versatility and its ability to cater to just about everyone – from group/business travelers, families, and of course couples. She further added that being employed with a locally owned and operated team is inspiring and fosters a sense of inclusiveness.

When asked what her most memorable moment here was, she explained that there were many to choose from, but it would have to be the COVID-19 pandemic. Although a trying time for many, especially in the hospitality industry, she expressed her gratitude to the Bay Garden's Resorts' executive team for creating avenues for as much staff retention as possible, in light of many layoffs industry-wide. She explains that she was and still is grateful for this. Being happy is an integral part of her lifestyle framework therefore, she lives by the quote that says "happiness is an internal thing and nothing will make you happy unless you decide to be". Outside of work, you can find Ms. Calixte enjoying time at home or unwinding at the beach. Her goal at Bay Gardens Resorts is to leave a positive mark and hopes to be remembered as someone who empowered others. Her long term aspiration here is to become a rooms divisions leader at the resort. The Bay Gardens Resorts team congratulates Unice on her recent appointment as Front Office Manager and we thank her for her continued commitment. Way to go Unice!

Our Guest Experience

BAY GARDENS BEACH RESORT & SPA **"GREAT PLACE."**

Reviewed by: John O.

Took a cruise with my family at a stop in St Lucia. We chose Bay Gardens Resort as it had a lot of amenities. Our day pass included unlimited drinks, buffet lunch, resort access, and round-trip transport. Also a voucher for either a 20-minute massage or 1/2 day at the aqua park. According to other cruise guests we paid less to book directly with the resort.

BAY GARDENS HOTEL

"EXCEPTIONAL VALUE."

Reviewed by: Susan J

So many options for such a reasonable price! We went over Christmas weekend with our college-aged son for more of an adventurous vibe, so we stayed inland at this smaller sister property which is a quick shuttle ride or 10 min walk to the larger Bay Gardens beach resort. We had full access to amenities there as well. If we can return, we'd attend the weekly Friday night street party in this area. The quality of the food and drinks here was just so good!! If we return, we will pick this location again.

BAY GARDENS INN

"SEA, SUN AND CHILLING"

Reviewed by: jasbindersangha.

Great location and access to all the Bay hotels. Loved the Inn. Everyone was so friendly. Only stayed one night however I wished I had done a couple of more nights. I would have liked to explore the town via the hotel shuttle or walking distance. Great price and value for money.

BAY GARDENS MARINA HAVEN

"LOVELY STAY AND LOCATION"

Reviewed by: Hywel Dyer

Impeccably clean, friendly, and welcoming. Lovely staff and a good location. Although slightly outside of the marina area a free shuttle bus means no hassle or walk if you please. Close enough to stroll into Gros Inlet for the Friday night party. Easy access to buses. Nothing too much trouble. Very rarely do I return to the same place twice, but I would here.
