His plan was a long time in the making: to return to Auvergne, where he grew up. Adrien's dream come true. A six-room hotel-restaurant, The Originals Origines Hotel by Adrien Descouls opened in July 2018 in the upper reaches of Broc, a peaceful village six km from Issoire.

The site is out of the ordinary, housed in a modern structure alongside the ruins of an 18th-century château. The building stands amid ancient ruins. The interior is ultra-chic with panoramic views through the large bay window.

The restaurant has space for 35, serving up traditional French cuisine with a modern twist. "My cuisine is authentic, rich, technical and gourmet," says Adrien.
