

## The Retreat at The Londoner Unveils a New Winter Glow Experience: Where LED Technology Meets Luxury Spa Treatments

*The Winter Glow Package will include Omorovicza's Signature body massage, CurrentBody's latest LED Light Therapy Mask, Drip Hydration IV Infusion shots and nourishing wraps and smoothies.*

*Available from 20th January-28th February*

Escape the winter chill and discover the ultimate wellness experience at [The Londoner](#), where seasonal blues will transform into restored vitality. Hidden below the bustle of Leicester Square and located four storeys below ground, The Retreat at The Londoner will introduce the Winter Glow Package running from Monday 20th January through Friday 28th February. This experience combines CurrentBody's latest Series 2 LED Light Therapy Mask with Omorovicza's signature full-body massage, complemented by nourishing Mega Omega Wraps and revitalising smoothies. For those seeking the pinnacle of rejuvenation, the experience can be elevated with The Defender IV Boost infusion by Drip Hydration UK while relaxing in the private cabanas.

The Winter Glow Package has been thoughtfully curated to combat the effects of harsh winter weather and restore the body's natural radiance. The scientifically proven and most trusted LED Light therapy by CurrentBody which has been endorsed by dermatologists and skin experts alike, stimulates collagen production and cellular renewal, while Omorovicza's expert massage techniques enhance circulation and release tension, leaving muscles deeply relaxed and skin luminous. The nourishing Mega Omega Wrap delivers essential nutrients to winter-stressed skin, while vitamin-rich smoothies support inner health and vitality. Adding The Defender Immune Boost IV from Drip Hydration UK will

also add high strength antioxidant vitamin C blended with B vitamins and Zinc to support the functioning of immune cells. Guests can also add a simple Vitamin D IM injection to The Defender which provides a quick and efficient boost to vitamin D levels, supporting bone health, immunity and overall wellness.

This experience of winter wellness not only rejuvenates the skin but also strengthens the body's natural defences, ensuring each guest emerges in the new year refreshed, restored, and glowing from within.
