

# THE ELIOT HOTEL

## School's Out for Summer!

From world-class museums like the Children's Museum and the Museum of Science, to so many parks and green spaces to explore, Boston is an ideal place to explore with the kids!

With spacious one- and two-bedroom suites, The Eliot is the perfect home base for your Boston trip. Come as guests, leave as family.

We are featuring a kid's package this Summer that includes a one- or two-bedroom suite, continental breakfast buffet in UNI Restaurant, overnight valet parking, a goodie basket for the kids with toys and activities and vouchers for free kiddie cones at local favorite, JP Licks.

While you are in Boston, explore the many activities waiting for you.

- Find out more about Boston's history with a tour on a Duck Boat or the Old Town Trolley or have the incredible costumed guides take you on a walk through history with a Freedom Trail tour.
- Join a whale watching trip or visit the seals and penguins at the New England Aquarium. Or visit the land animals at the Franklin Park Zoo.
