SUSTAINABLE TOURISM

culture

We support and help provide cultural, artistic, educational and economic growth activities in nearby and surrounding villages.

PENSATIVO
house hotel

PROJECTS

Reforestation project for protected areas with
"Plantemos 1000 árboles" organization.

Supporting the nursing home
"Fray Rodrigo de la Cruz"

"Cooking for Hope"
project for the education and training
of residents of surrounding communities.

ENVIRONMENT

By being located in a city designated as a World Heritage Site our responsibility for the care of the city is greater, help us protect the environment by following these simple tips:

BUSINESS

Our recently integrated Sustainability Management System will help guide our company towards a more sustainable future. We will provide an unique experience to our guests and collaborators

guests
