The **Crystal Ballroom** is a show-stopping setting crowned by a spectacular crystal chandelier suspended from a hand-painted dome, with floor-to-ceiling picture windows framing mountain views and filling the space with natural light. Complementing the ballroom, the **Grand View Tent**, available spring through fall, extends the experience outdoors, creating a seamless flow between refined interiors and open-air celebration. Together, these venues are ideal for grand receptions, elevated celebrations, and unforgettable gatherings that showcase the beauty of the surrounding landscape.

Presidential Hall, adjacent to the main hotel, features an expansive ballroom complemented by an elegant, spacious foyer filled with natural light. It's an inviting area perfect for registration, networking, or pre-event receptions. The ballroom can be divided into two separate spaces, the **Harding Room** and the **Roosevelt Room**, allowing events to flow easily between general sessions, meals, or simultaneous programming. Presidential Hall also includes two equally sized breakout rooms, each with its own dedicated setting, making them ideal for focused discussions or small-group sessions of up to 30 guests.
