Art Galleries – Park City’s art scene is thriving, offering a robust variety of unique art collections from local, national, and international, artists. On the last Friday of each month, nineteen galleries open their doors for visitors and locals to enjoy light refreshments and to admire their latest art installations.

Backcountry Ski Adventures - This day kicks off as you use your own power (i.e., your legs) to tour up the mountain and go where chairlifts do not. Our guides are equipped with an intimate knowledge of the area and are trained to provide you with a safe and fun experience. If you are looking to escape the crowds and ski untouched snow... and don't mind working for it, this experience is for you!

Bobsled Rides - Feel the rush as you speed down the Olympic track in a 4-person bobsled. A trained pilot will take you and two other passengers through fifteen curves, reaching speeds up to 80 mph, and pulling close to 5 Gs of force. Billed as the most intense minute of your life, this ride will give you an idea of what Olympic bobsled athletes experience. Riders must be sixteen with a valid driver’s license.

Cross-Country Skiing - A 20+ km cross-country ski center in the heart of Park City offers spectacular mountain views along one of three groomed loops. With 3k, 5k, and 10k+ loops, they are perfect for beginner, intermediate, and advanced classic or skate skiers. Heated underground parking, passes, equipment, and lessons, are all offered on-site. Private cross-country tours are also available.

Dog Sledding - Experience a once-in-a-lifetime dog sledding adventure. Taking a sled ride through remote terrain is nothing short of exhilarating. Escape Room Park City - The Escape Room offers a variety of differently themed escape rooms, the most famous being The Mine Room. Drawing on the city’s silver mining past, the scenario has you and your friends trapped during a mining tour, and you need to find your way out before the mine collapses. All rooms feature challenging clues and puzzles you must solve to get out in time.

Fly Fishing - If you are fly fishing on Utah's famous Provo River you can be assured of a great day fishing. Experienced guides provide the equipment and everything you need to catch a trophy in the crisp Utah air.

Your hot air balloon excursion will begin at sunrise when the atmosphere is the most stable and predictable. Rides take place year-round, with every precaution taken to ensure a safe trip. With the balloon fully inflated and the colorful panels of fabric standing at attention, it's time for your flight. The ascension to the sky will take place gradually, and you might be 1,000 feet up in the air before you notice the height you've climbed. Enjoy the snow-capped mountains and frost-covered land below, a magical sight to behold.
