

MORTIMER'S

# Make The ‘M’ Moment Count

In the 1880’s visionary American railroad developer, George Mortimer Pullman, revolutionised rail travel through innovative design and exceptional comfort. Around this time the Wagon-lits company, created the Orient Express – which was synonymous with luxury travel – they called their luxe carriages “Pullman” carriages. The name Pullman equated to luxury and to pioneering. People wanted to travel to see new sights, and to become invigorated by new experiences, they could go where they wish and they could explore the world in the luxury, comfort and safety in the Pullman train carriages.

It was a mindset that drove them to discover new things, new challenges, and new things in the world. The colours of the cities, the clothes, the food and the spices, the vitality of the markets. It was the centre of the world, it was exotic, they were exposed to new foods, new herbs, spices and aromas, and they could meet people from all over the world. They were pioneers, and it was an example of the mindset of travel : I want to see and experience the world.

Nothing has really changed – our motivation for travelling and seeing the world is the same. Over a century later, this vision remains at the heart of the Pullman brand.

Mortimer’s, inspired by George Mortimer Pullman, will be known for its relaxed atmosphere and gin cocktails. A modern take on a gin bar with a nod to the glamour and service of old school hotels, Mortimer’s is a welcoming space designed for relaxing with a great drink in hand.

Our bespoke Mortimer’s Gin, made in partnership with Tiny Bear Distillery and the Pullman Albert Park. The aim is to make the moments count at Mortimer’s. The refined yet unpretentious bar situated alongside the hotel’s impressive Atrium Lobby, invites guests to stop for a moment, or a whole evening.

# Meet The **Mortimer's** Gins

## **MORTIMER'S**

The house pour is one of multiple options on the Mortimer's Lounge gin menu. Mortimer's will become a firm favourite, Hand Crafted with floral notes from citrus and light fragrant. Best served with sweet citrus garnish like Orange and Apple, whether you choose Tonic or Soda to mix with.

## **DOCTOR GIN**

A herbaceous gin, with strong notes from fresh Basil, Vietnamese mint, Sage and Dill. A subtle juniper sweetness blends it all together. Best served with a sweet garnish like apple, to bring out the floral notes in a Gin and Tonic.

## **FOUR PILLARS- RARE DRY GIN**

Represent the idea of Contemporary Australia: classic, approachable, spiced to perfection and lifted with great citrus. Above all dangerously delicious, and made to enjoy in the world's best gin drinks, always kicking off with perfect G&T.

## **FOUR PILLARS- BLOODY SHIRAZ GIN**

## **ARCHIE ROSE**

## **HENDRICKS**

Smooth and superbly balanced botanicals. Clean and dry out without being in any way astringent. The complexity of the nose comes through in the taste, citrus and juniper with a subtle lingering finish of cool refreshing cucumber and rose.

## **TANQUERAY**

The gin is a juniper - forward gin with distinctive flavours of piney juniper and feint lemon zest. It is these perfectly balanced botanicals of juniper, coriander, angelica and liquorice which create a classic base for every gin cocktail without overpowering it.

## **TANQUERAY 10**

Tanqueray No. 10 gin features only eight botanicals (not ten!). It adds four new ones to the Tanqueray formula. Juniper, coriander, licorice and angelica root remain. It adds chamomile flowers and three kinds of fresh, whole citrus.

## **GORDON GIN**

Gordon's London Dry Gin is made only with only the finest botanicals, all carefully distilled to create its distinctively refreshing taste. Bold, juniper-led, with zesty notes of citrus and super smooth texture. It is no wonder the world's best-selling gin is also a multiple gold-award winning gin.

## **BOMBAY SAPPHIRE**

A truly iconic gin with a creative spirit. Combining the expertise of the master of botanicals and master distiller and produced from an original 1761 recipe, this is a gin with fresh, bright citrus notes, a lively juniper character and an elegant, light spicy finish.
