# FACE - TOUCH

Our renowned Maisha hands-on facial treatments use touch as a powerful diagnostic tool, softening and prepping the skin to receive actives. Skin on skin forms a deep connection, creating the best possible environment for maximum absorption and clinically proven results. Each active product is applied using a combination of ancient and modern massage techniques from around the world. The hands of our own highly trained Maisha therapists are profoundly effective anti-ageing tools. This is where intuition meets expertise.
