

## **Golden Rock Resort Partners with Tradewind Aviation to Offer an On-Demand Exclusive Arrival Experience to St. Eustatius**

*Guests can book a private charter from Puerto Rico or the USVI directly to the idyllic Dutch Caribbean Island*

**Sint Eustatius, Dutch Caribbean (May 30, 2024)** - Golden Rock Resort, a luxury eco-retreat on the island of St. Eustatius ('Statia') has partnered with [Tradewind Aviation](#) to offer on-demand private charters. The private aviation specialist operates private charter flights from Puerto Rico, the U.S.V.I, and more directly into St Eustatius' F.D. Roosevelt Airport.

Tradewind offers year-round private charters in their fleet of Pilatus PC-12 aircraft, allowing for a convenient and comfortable travel experience for up to eight passengers and luggage. With on-demand private charter, guests have the flexibility to select their preferred date and time of travel, as well as which departure airport best accommodates their travel plans.

Popular origin points include San Juan, PR (SJU), St. Croix, USVI (STX) and St. Thomas, USVI (STT) where flight times to Statia are 54 minutes, 36 minutes and 42 minutes, respectively. Prices for a private charter vary depending on departure city, but one-ways from popular routing tend to start around \$6,000 USD.

Perfect for group travel, multi-gen families, and corporate retreats, this new partnership promises guests of Golden Rock Resort an elevated island experience. With 75 rooms, villas and standalone cottages, the upscale resort offers exclusive amenities including two restaurants, two swimming pools, a full-service spa, recreation courts, a seventeen-hole mini golf course, two conference rooms and a PADI Dive Center.

**ABOUT TRADEWIND AVIATION**

Founded in 2001 by Eric and David Zipkin who have turned their passion for flying into the leading regional private operator, Tradewind provides personal air travel—both private and scheduled service—throughout North America and the Caribbean. Tradewind believes that every single flight is an opportunity to create an exceptional client experience with their people, planes, and personal service. Their unique approach to flying is less harrowing than flying commercial and more intimate than flying private. It is flying personal. And it is what they strive for every day.

Tradewind provides unique and efficient private travel solutions for leisure or business travel, with access to hundreds of airports throughout North America and the Caribbean in their modern fleet of Pilatus PC-12 and Citation CJ3 Jet aircraft.

Tradewind also provides scheduled service flights to top leisure destinations throughout the Northeast and Caribbean, including Nantucket, Martha's Vineyard, Newport, St Barths, Anguilla, and Antigua. Tradewind's vision is for an elevated flight experience that is streamlined and understated, where every flight deserves the highest quality aircraft, crew, and service, giving passengers control over their own time and confidence in their travels.
