

*A Valentine's Escape, Curated for Two*  
AT IFURU ISLAND MALDIVES

**An intimate celebration of love shaped by shared moments, wellness, and ocean-led romance.**

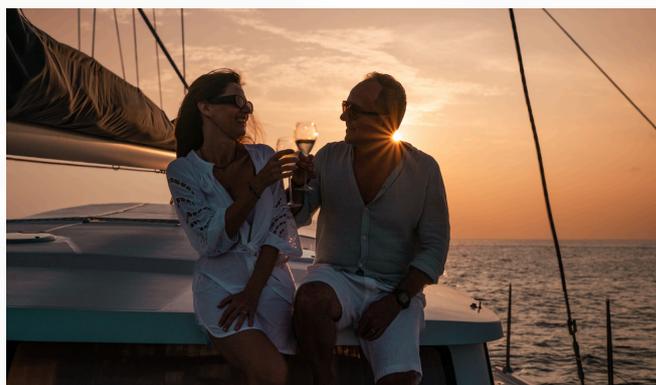

This Valentine's season, Ifuru Island Maldives presents *A Valentine's Escape, Curated for Two*, a refined collection of romantic experiences designed for couples seeking meaningful connection in an island setting defined by natural beauty and understated luxury.

At the heart of the offering are romantic beach dinners, set beneath the stars, and an exclusive private dining experience at Ifuru Island's Secret Spot, a secluded location reserved for couples seeking complete privacy. Each experience is carefully curated by the culinary team, featuring thoughtfully designed menus, candlelit settings, and attentive service, available by prior arrangement.

For couples drawn to the open sea, Ifuru Island introduces a private romantic yacht charter in collaboration with Blend, offering an elegant journey across turquoise waters. With curated refreshments and uninterrupted sunset views, the experience is designed for a limited number of couples and lends itself to proposals, anniversaries, or intimate Valentine's celebrations.

Wellness experiences offer a restorative dimension to the Valentine's programme. Couples may enjoy a dedicated couples spa package, created to encourage relaxation and reconnection through shared rituals in a serene environment. For those wishing to explore mindful connection, an optional guided meditation and bonding session with visiting practitioner Dr. Sha is available on selected dates, offering a moment of presence and balance within the rhythm of island life.

Whether expressed through candlelit dining, ocean journeys, restorative spa experiences, or mindful moments, A Valentine's Escape, Curated for Two invites couples to celebrate love in a way that feels personal, unhurried, and quietly indulgent.
