The Luxe Manor, the stylish boutique hotel in Tsim Sha Tsui, presents the brand new Nordic-inspired Poon Choi, exclusive staycation, and fascinating workshops for all guests to enjoy the festival to the fullest.

Nordic Restaurant FINDS offers Lunar New Year's Innovative gourmet

Lunar New Year is the best time to gather family and friends for a reunion dinner. A festive atmosphere prevails in the Nordic restaurant of the hotel as well. During the festive season, FINDS re-enacted the traditional Poon Choi as the concept, and innovatively created the **NORDIC SEAFOOD BISQUE FESTIVE CASSEROLE** with exquisite ingredients. Share the essence of Chinese tradition with all our guests.

Poon Choi symbolises family reunions and auspicious celebrations. The culinary team at FINDS continues the tradition by filling the "pot" with the finest delicacies from around the world, including Austrian pork belly, grilled French spring chicken and a variety of seafood, offering sincere blessings to guests to signify the potful of wealth and all business is prosperous.

Using Austrian pork for softer and tenderer texture, **ROASTED CRISPY PORK BELLY** is marinated with the chef's secret recipe for more than 12 hours and roasted

twice at different temperatures for a crispy skin while the meat is delicious and not greasy at all.

Fresh chicken that symbolises auspiciousness is essential in the Lunar New Year. The chef specially selects natural, hormone-free free-range spring chicken from France and uses butter, rosemary, pepper, and other spices to grill the chicken, **GRILLED FRENCH SPRING CHICKEN** is so mellow to melt in the mouth.

FINDS selects premium seafood from all over the world, such as **PAN-FRIED TIGER PRAWNS** from Vietnam, **JADE WHELKS** from Canada, **FRESH BLUE MUSSELS** from Australia and **SEARED HOKKAIDO SCALLOPS**.

In addition to a range of delicacies, the soup used for the festive casserole is FINDS' signature soup – **NORDIC LOBSTER BISQUE**. After the lobster head has been sautéed with fennel, parsnips and carrots until fragrant, the fish broth is added and simmered for 2 hours, bringing out the seafood essence into the soup for a rich and distinctive flavour. Whether it is paired with different meat, seafood, or fresh vegetables, it can enrich their aroma and umami to the next level.

At last, the festive casserole is served with four types of fresh vegetables, implying that serendipity will come from all four directions. **ROASTED ROSEMARY FINGERLING POTATOES** is highly recommended. Wait until the lobster bisque is absorbed, as it offers an incomparable taste that lasts a long time. The joyous moment is especially suitable to enjoy with beers and gourmet. Guests can enjoy a free flow of selected beers for an additional HK\$88.
