NOVOTEL GEE LONG'S COMMITMENT TO SUSTAINABLE DEVELOPMENT

Through PLANET 21, AccorHotels' sustainable development program, Novotel Geelong commits people to the Planet. We believe that because we care for millions of guests, each of our hotels is a planet in itself and every action matters.

-  Remove banquet pads from conferences and request guests use laptop/iPad
-  Recycled toilet paper and hand towel
-  Provide pencils instead of pens
-  Provide jugs of water instead of bottled water
-  Reducing food waste
-  LED lights throughout the whole hotel
-  LED TV's
-  Key access to power rooms, reducing energy
-  Using fresh products from our vegetable garden in our restaurant
-  All rooms have balconies providing cool air to reduce air conditioning
-  Water saving shower heads
-  Eco-certified soap, shower gel and shampoo is available in our rooms
-  Environmentally-friendly, eco-certified cleaning product
-  We ask our customers to reuse their towels and bedding for 3 days, unless requested, saving water and energy.
-  Banning the use of over-fished species in our restaurant
