We understand that as students coming from overseas to reside and study in a new country; you may experience a certain amount of culture shock.

The people, the weather, the food, the buildings, etc. will be new and may seem different in the beginning. It may take you a little time to get used to your new surroundings and a feeling of homesickness and/or loneliness is not unusual.

Many new students, including Australian students, are living away from their family and friends for the first time so we encourage you to become involved in student activities and events, so that you will make new friends and begin to feel more at home.

There are many different nationalities represented at Student Living. If you are having difficulty settling in or with the language, or if there is anything you are unsure of, our friendly staff are here to help you. For after hour's assistance we have a caretaker on site that can help you with security problems and/or emergency issues relating to your apartment.

Our staff will not only assist with questions and queries you may have regarding the complex, but they also have a wide range of knowledge concerning the local area, medical assistance, travel, general information etc. They are always there to help you.

To assist students, the student handbook has simplified the rules of the body corporate. For a more detailed and comprehensive look at these rules, please refer to the confirmation email or please ask the reception.

Please note that it is your responsibility to read the student handbook and understand the rules of occupancy. Ignorance is not an excuse!

We hope that you enjoy your stay here at Student Living - Vivida! If you have any questions, please do not hesitate to see reception, or email us and we will assist you in any way that we can.

# LOOKING AFTER YOUR APARTMENT

---

## **Maintenance**

Student Living - Vivida can engage maintenance staff and contractors to attend to any damage or problems that occur on the premises. The Resident is liable for all damages or loss caused by negligence or misuse and will be charged for any costs associated with rectification including labour.

Please follow the procedure below if there is something that requires maintenance in your apartment.

1. Kindly download the console tenant app
2. Provide full description of the issues and attach relevant photos.
3. The customer service team will give you an approximate time frame that you can expect for the maintenance to be completed.

Maintenance contractors will attend to maintenance during their own operational hours Monday – Friday. Please remember that they are not direct employees therefore will schedule your repairs to be completed along with their existing workload.

## **Departure Cleaning**

Your apartment has been professionally cleaned prior to your arrival. As a condition of your lease, you must leave your premises in the same condition as when you entered them. To take some of the stress out of your exit process, Student Living has been able to negotiate volume rates with a bond cleaning company that delivers a service that we believe is of a very high standard which meets our expectations.

Please do not remove any items or equipment from your apartment

## **Ensuite bathrooms**

Keep the grout and silicone clear of mould and stains through regular (we recommend weekly) cleaning using water, a cloth, and a shower cleaner or natural alternative.

## **Air conditioners**

The air conditioner unit (if installed in your apartment) has dust filters that need regular cleaning. It's usually a simple matter of popping open the plastic cover and removing the filter. Take the dust filters outside for a good brush or shake. They can usually also be vacuumed for a thorough clean; use the vacuum cleaner's dusting brush head if you have one. If the dust filters are very dirty and grimy, you can wash them in warm water with some mild detergent and rinse them clean. Make sure they are completely dry before putting them back in the unit.

Please allow the air-conditioner in the living area to run for 10 – 15 minutes until it blows out hot or cold air. At no time should this be covered or obstructed in anyway. Always keep the vent clean. Clothing and laundry cannot be hung over the heater, as this is a dangerous fire hazard.

### **Hanging items on walls**

You can hang items on your walls, but you must ensure you do not damage the walls in the process, and that you remove everything before you leave. You can buy special hooks, such as 3M removable hooks, from supermarkets or hardware stores, which are designed not to damage the walls once removed. Please do not use sticky tape or blue tac, as both will cause damage. Any damage caused because of removing these hooks will be your responsibility and repair will be at your cost.

Hanging items in common or shared areas including the front of apartment doors, balcony and windows is strictly prohibited.

### **Mattresses**

Please ensure that you use the mattress protector on your bed between the mattress and your sheets to prevent stains or damage to your mattress.

### **Carpets**

Ensure to vacuum clean your floor regularly.

### **Cleaning**

It is expected that you will always keep your apartment clean and tidy to avoid potential pest infestation. Student Living - Vivida have monthly pest control plan in the building, please advise if you have any issues. Please see below some tips for living in healthy environment.

- Keep food covered!
- Clean and wash dirty dishes after every meal.
- Wipe down all bench-tops and stovetops, appliances including rangehood in the kitchen every night with a cloth containing warm soapy water.
- Garbage bins to be kept lidded and regularly disposed of.
- Sweep, vacuum & mop floor regularly!

### **Fridge**

Do not use harsh, abrasive cloths or cleaners or highly perfumed, strong-smelling cleaners or solvents on any part of the refrigerator or freezer. The amount and types of food stored determines how often cleaning should be carried out. Ideally it is recommended that the refrigerator is cleaned every 2-4 weeks. Remove the shelves and wash in warm water. Rinse in clean water and dry before replacing.

### **Cooktop**

Keep the cook top clean and free from food spillage, grease & oil. Keep an eye on your cooking as overflow water / soup may cause damage to the electrical cooktop.

### **Microwave**

Please ensure cooking times are correctly set as over cooking may result in the food catching fire and subsequent damage to oven.

When food is heated or cooked in disposable containers of plastic, paper, or other combustible material, check the oven frequently due to the possibility of ignition. If smoke is observed, switch off, keep door closed.

Do not rinse the turntable by placing it in water just after cooking. This may cause breakage or damage.

Utensils should be checked to ensure that they are suitable for use in microwave oven. Never use metal or aluminium utensils inside the microwave.

### **Blinds, Windows & Balcony (If Applicable)**

You will find a chain on the side of the window or sliding door. Pull the chain gently and smoothly from directly underneath to either raise or lower your window blinds. Should you pull the chain off, it will be at your cost to have it re-attached.

No items are to be hung in or attached to your window. Clothing can be hung on a clotheshorse in your apartment or can be dried by using the dryer in the laundry. Any item(s) placed on your window or balcony area (if applicable) is a direct breach of your rental agreement.

### **NO SMOKING, NO HANGING CLOTHES, NO ITEMS SHOULD BE PLACED IN BALCONY AREA.**

Avoid condensation inside the apartment. This can cause dampness, mould issues, wood rot and corrosion inside the apartment. Please keep the windows open, ventilate bathroom, kitchen, cupboards, and wardrobes to let the air circulate freely inside your apartment.

Ensure to regularly wipe down windows, frames, and other affected areas with a fungicidal mould-killing wash. Make sure you follow the manufacturer's instruction precisely. Dry clean and shampoo mouldy carpets. Report ongoing issues to reception or email [vivida@unilodge.com.au](mailto:vivida@unilodge.com.au)

### **Light Globes & Fluorescent Light fittings**

Residents are responsible for replacing their own light globe. These can be purchased from a supermarket or department store. Student Living staff can arrange the replacement of light globe or fluorescent light fitting at cost to you, please contact our office for more details.

### **Smoke Detector**

Your apartment has been installed with a smoke alarm. Generally, they are located on the ceiling of your apartment. Each one is connected to a 240V power supply via your apartment switchboard. **If you attempt to tamper with or remove your smoke alarm, you may be fined more than \$3,000 by Fire Services Victoria.**

In the event of a false alarm that is caused by interference with a smoke detector, Fire Services Victoria has within its powers to levy fines and commence prosecutions (current fines exceed \$3,000). You may also be responsible for the cost of repairs to the system that this damage may cause.

**The building has fire rated doors and advanced systems for your safety**

***Do not touch the smoke detectors and sprinklers

# GENDER-BASED VIOLENCE

At UniLodge, we are committed to fostering safe, respectful, and inclusive environments across all our student accommodation properties in line with the [National Higher Education Code to Prevent and Respond to Gender-based Violence 2025](#).

Gender-based violence (GBV) includes any form of harm, coercion, or control rooted in gender dynamics, including (but not limited to) sexual assault, harassment, stalking, coercive control, and technology-facilitated abuse. Recognising that GBV disproportionately affects women, and is compounded by intersectional factors like cultural background, disability, or diverse sexual orientation and gender identity, our whole-of-organisation approach prioritises primary prevention through evidence-based strategies that challenge gender inequality, promote cultural change, and ensure trauma-informed support for residents and staff.

Our Strategic Plan comprehensively addresses GBV prevention and response, tailored to the specific requirements of Standard 7 of the Code. Our Plan integrates dynamic policy, continuous education programs, and a 'No Wrong Door' disclosure process that empowers community with choice and agency, while working to mitigate systemic risks, barriers and enablers.

To learn more about our initiatives and how we are driving long-term change, view our full [Strategic Plan here](#).

UNILODGE POLICY**

## DEFINITION

- (a) Driven by unequal gender power dynamics or relationships, and/ or
- (b) Connected to gendered expectations or stereotypes, and/ or
- (c) Extended to Gender Identity and/or expression.

## MISSION STATEMENT

At UniLodge, we are committed to providing safe, inclusive, and supportive living environments for all residents, staff, and visitors.

UniLodge adopts a proactive, evidence-informed, and risk-based approach to the prevention and response of Gender-based Violence, prioritising the safety, dignity, and autonomy of those impacted.

Gender-based Violence in any form is unacceptable and will not be tolerated in the UniLodge community.

Through strong leadership, clear policies, ongoing education, accessible support, and robust accountability, UniLodge maintains a culture of respect, equity, and responsibility across our student accommodation portfolio.

## PRINCIPLES

UniLodge adopts five (5) core principles in working to prevent Gender-based Violence:

1. **Safety First:** Safety and wellbeing are the overriding priorities in all decisions and actions.
2. **Accountable Leadership:** UniLodge leaders own this policy, model respectful behaviour, drive prevention, and ensure measurable progress and continuous improvement.
3. **Education is Critical:** Continuous evidence-based education is coupled with robust ongoing assessment to identify systemic risks, enablers, and barriers, with measurable, action-based targets to ensure safe environments.
4. **Person-Centred and Trauma-Informed Systems:** All processes are designed to be trauma-informed, person-centred, and culturally safe. The agency and confidentiality of the person who has experienced harm are upheld, and procedural fairness is maintained for all parties. Through collaboration with universities and the UniLodge community, our systems are designed for transparency, integrity, and impactful consultation.
5. **Shared Responsibility:** Every member of the UniLodge community has a role in preventing Gender-based Violence and fostering a respectful environment.

## ROLES AND RESPONSIBILITIES

- Promptly disclosing any incident or concern involving Gender-based Violence.
- Completing all mandatory education, orientation sessions, workshops, and awareness campaigns.
- Consistently modelling respectful, inclusive, and equitable behaviour and, where it is safe to do so, using ethical bystander intervention to support others.
- Contributing honest feedback through anonymous surveys, focus groups, and forums to help shape policies and practices.

**Accommodation Staff** (in addition to the above): Frontline and residential staff are required to:

- Actively participate in regular, ongoing training on prevention, recognition, and trauma-informed response to disclosures.
- Follow all Gender-based Violence procedures, and support colleagues and residents to do the same.

- Engage in regular wellbeing check-ins and access professional support to manage vicarious trauma and maintain their own capacity to help others.

- Owning, championing, and regularly reviewing this policy and its implementation.
- Proactively addressing the known drivers of gender-based violence and ensuring full compliance with relevant legislation and standards.
- Ensuring all residents and staff have ongoing access to high-quality education and training.
- Ensuring that disclosure and reporting pathways are safe, trauma-informed, person-centred, culturally safe, and accessible – particularly for women, First Nations people, CALD communities, people with disability, and people of diverse sexual orientation and gender identity.
- Regularly seeking and acting on community feedback and maintaining strong collaboration with university partners and other providers.
- Publishing transparent, measurable progress reports to the UniLodge Board.

**Gender-Based Violence Executive Officer:** The designated Executive Officer is responsible for:

- Implementation of the UniLodge Gender-based Violence Strategic Action Plan 2026-2028.

- Facilitating annual risk assessments and data collection to identify and mitigate emerging risks.
- Leading a formal policy review at least every three years, incorporating community consultation and independent expert input where needed.

A breach of this Policy may result in action by UniLodge. Alleged or actual conduct by staff, residents and contractors that constitutes Gender-based Violence will be handled in accordance with the UniLodge Gender-based Violence Procedure. It may also fall under the relevant Code of Conduct, UniLodge Grievance and Complaints Procedure, Workplace Health and Safety Policy, or the relevant Resident Handbook, as applicable.

Any reports of non-compliance with this policy must be made in writing to [feedback@unilodge.com.au](mailto:feedback@unilodge.com.au).

This Procedure supports UniLodge's compliance with the National Higher Education Code to Prevent and Respond to Gender-based Violence 2025.
