

Ifuru Island Maldives Unveils NEW DAY ESCAPES & ISLAND INDULGENCES

Ifuru Island Maldives introduces a refreshed collection of Day Visit and Day Use experiences, inviting guests to enjoy the island's signature energy, flavour, and freedom without an overnight stay.

Designed for locals, travellers, and island-hoppers seeking an effortless escape, the new range of Ifuru Day Escapes blends beachside relaxation, poolside indulgence, and curated dining moments, all set against the island's vibrant and social atmosphere.

From relaxed mornings by the sea to golden-hour cocktails and sunset dining, each experience has been crafted to capture the spirit of Ifuru: playful, generous, and unapologetically fun.

A Day, Your Way

Guests can choose from five distinct experiences, each offering a different rhythm of island life:

The Barefoot Beach Escape invites guests to slow down at the Beach Club with unlimited soft drinks, snacks, and sea views, perfect for a laid-back coastal day.

For those drawn to the pool, the Poolside Pleasure Pass combines unlimited pizza, soft drinks, and a hearty buffet lunch at Social House, ideal for sunseekers who like their days delicious.

Turning up the indulgence, Sip, Swim & Surrender offers unlimited cocktails alongside pool access and all-day dining, encouraging guests to fully let go of the clock.

Adventure lovers can opt for the Island Explorer Experience, blending pool time with Beach Club access, non-motorized water sports, snorkelling, and unlimited dining and drinks, delivering a full taste of Ifuru's playful energy.

For couples or friends, The Ultimate Ifuru Escape offers the complete experience for two, combining all inclusions into one seamless, shared day of island indulgence.

Sunset Worth Staying For

To complete the experience, Ifuru Island also introduces Sunset Indulgence at Waterfront, an evening dining journey featuring a five-course à la carte menu with unlimited cocktails and wines, served as the sun melts into the horizon.

"With these new day experiences, we wanted to open the doors wider to Ifuru," said Marcel Sawyer, General Manager. "Whether you're joining us for a few hours or staying from morning to sunset, this is about feeling the island's rhythm, enjoying great food, and leaving with memories that linger."

All Day Visit packages are available daily from 10:00 to 18:00, with the Waterfront dinner experience available from 18:00 to 22:00.
