A subtle touch of matcha lends its gentle green hue, while airy Chantilly cream on its nose and feet

lend a touch of sweetness to this masterpiece, making every bit as Instagram-able as it is irresistibly delicious.

Each spike, meticulously hand-piped from pandan mousse made using freshly blended pandan leaves. Beneath the spikes lies a base of sugar dough, while the moulded durian 'seeds' on top reveal a fibrous durian mousse that mirrors the texture of the real fruit.

D24 RASPBERRY GEM | D24 TIRAMISU SPHERE

Takeaway/delivery: \$55 nett (6 pieces) | Dine-in: \$50.45++ (6 pieces)

Resting on a homemade coffee sablé cookie infused with coffee essence and powder, the D24 Tiramisu Sphere layers soft ladyfingers soaked in aromatic coffee syrup beneath a smooth Mascarpone mousse exterior that covers a decadent D24 durian core. Lightly dusted with cocoa powder and crowned with three petite choux puffs dipped in white chocolate for an airy finish, this creation creates a taste of bitterness, sweetness and unmistakable durian richness.

Exuding both elegance and charm, the D24 Raspberry Gem is a nostalgic nod to the iced gem biscuits from childhood. A crisp financier base provides the foundation for a bright homemade raspberry jam nestled between luscious layers of tangy raspberry mousse and creamy durian mousse. Finished with a delicate pink chocolate coating and a touch of silver edible flake, this jewel-like dessert strikes a perfect balance between fruity brightness and durian indulgence.

The cake is enveloped in a smooth banana mousse made with real banana purée – folded with cream and egg yolk for natural sweetness and depth – then finished with a delicate white chocolate spray and a glossy yellow glaze for a touch of sunshine. Layers of caramelised banana slices add richness within, while chocolate decoration, a quenelle of Chantilly cream and edible flowers crown this elegant treat with flair.
