SEPTEMBER SOMMELIER WINE SELECTIONS

Bright notes of raspberry preserves and forest floor, plus the baking spice and confectionary accents that result from an elegant balance of new and neutral oak. Beautiful purity of fruit from start to end, with generous berry notes and clove accents that pop on the finish.

The wine opens with cinnamon and ripe peach, bolstered by aromas of melon, fig, and pear. More fruity than floral upon release, there's nonetheless plenty of honeysuckle and spice, softening to green apple and vanilla.
