Jounen Kweyol Festivities!

Jounen Kweyol which is sometimes considered as the island's second Christmas is a day filled with lots of folk music, dancing, authentic creole dishes, cultural shows, and highlights of traditional ways of living. Citizens display their national pride with creative outfits made from madras material or in full national dress, the Wob Dwyiet. Kweyol activists also pay homage to St. Lucians past and present who have contributed significantly toward preserving and spreading the culture.

Observance of Jounen Kweyol started in 1981 when a group of French Creole linguists from the Caribbean and Indian Oceans decided to form an organization called Bannzil Kweyol devoted specifically to the study and promotion of French Creole languages.

In 1983, the organization declared October 28 as International Creole Day and held its first international festival that same year on that day. This festivity has grown into a month long of activities deemed, Creole Heritage Month. The celebration culminates on the last Sunday of October with the highly anticipated Jounen Kweyol festival in various communities throughout the island.

Jounen Kweyol has always been a major celebration at Bay Gardens Resorts with two amazing activities. The Bay Gardens Beach Resort and Spa would host a Pre-Jounen Kweyol Brunch on the Sunday before the main event with the Bay Gardens Hotel's Creole Street Party at the Providence Centre Car Park on Kweyol Day. Both events features, an array of delectable creole food, cultural entertainment, and attractive prizes to be won.

Although the ongoing Covid-19 pandemic has limited the festivities for yet another year, Bay Gardens Resorts is paying homage to this unique celebration with a Creole welcome drink upon arrival for persons checking in during the month of October, Creole breakfast and lunch specials available all month-long such as our signature hot bakes and cocoa tea, stuffed crab back, stewed octopus and National Dish, green fig and saltfish.

Looking forward to serving you.

BAY GARDENS BEACH RESORT & SPA

WELCOME TO PARADISE

Reviewd by: Debi A

This resort is in a fabulous location right on the beach. We had an ocean view room top floor and what a spectacular view. This has got to be one of the best views I have ever had from a holiday hotel room. The rooms are serviced every day and excellently cleaned. The staff are friendly and helpful and sort out the tiniest of problems without any questions. The general manager is visible and on site and always engages with everyone checking her guests are happy. If you are looking for a fabulous resort stay in St Lucia, I cannot recommend this high enough.

BAY GARDENS HOTEL

AWESOME STAY

Had such a great time at Bay Gardens! The staff was lovely and accommodating. I also love that there was a shuttle to go to the other resort, where we were able to enjoy the beach and inflatable water course. It was truly so much fun. I would stay here again.

BAY GARDENS INN

ST. LUCIA - SEPTEMBER 2021 VISIT

Reviewed by: 78HTG

I stayed at the Bay Garden Inn, in February 2020, and experienced a first-class service, clean comfortable accommodations, friendly helpful staff, and a great choice of meals. For this visit they were again my first choice, a great stay in a Covid safe environment, where I felt very much at home. Looking forwards to my next visit.

Place was perfect for kids. It was my husband's birthday and they truly made it special for us. The staff were wonderful with our children. I can say that place felt like home, and we are going back as soon as we can. Thank you for a great time.
