

DAYDREAM
ISLAND

Living Reef Activities

The Living Reef is a free form coral lagoon that wraps 200m around the central building on Daydream Island and is home to over 100 species of local marine life including fish, rays and other reef dwelling creatures.

DAY DREAM
ISLAND

The Living Reef

The Living Reef is a free form coral lagoon that wraps 200m around the central building on Daydream Island and is home to over 100 species of local marine life including fish, rays and other reef dwelling creatures.

Up to 15m wide and containing 1.5m litres of fresh, filtered sea water this man made reef system offers a range of ways you can get up close to our resident marine animals. The Underwater Observatory takes you 4m under the surface and showcases a large 7 x 3m window where you can watch the marine life going about their day. The open learning environment in the Education Centre has 8 living displays showcasing various habitats from mangroves to corals, a theatre and an interactive touch pool.

Activities

Our range of Living Reef activities are offered by our resident Marine Biologists who love to share their passion and knowledge with our guests.

Stingray Splash	Take a splash in our shallow lagoon and feed our smaller rays their lunch. Discover why stingrays are called the puppies of the sea. This experience is both educational and truly unforgettable. Minimum age 6 years. Maximum 6 persons per tour	\$50 pp
Guided Fish Feeding	Take a chance to get close and personal with some of the Living Reef residents, including colourful fish, and sea stars and experience our Touch Pool. Then take a talk and tour of our new Underwater Observatory. This hands-on experience is a must do at Daydream. Minimum age 4 years and must have accompanying paying adult. 3 years and under FOC with accompanying paying adult. Maximum 12 persons per tour.	\$40 pp \$140 family (2 Adults and 2 children up to 12 years)
Reef Rangers	Join our Marine Biologists as they take you through the restricted areas of the lagoon for a hands-on exclusive look at our Living Reef with time to experience our Touch Pool. You will assist in the public fish feeding show, as well as Stingray Splash and guided fish feeding. Minimum age 6 years.	\$100 pp
Living Reef Guided Snorkel	A new experience to Daydream Island. Join one of our Marine Biologists as they take you into our largest and deepest lagoon for an immersive experience with rays, fish and invertebrates. Learn about all things Great Barrier Reef in the clear calm waters of Living Reef with a passionate and knowledgeable guide. Minimum age 10 years. Must be competent swimmer.	\$130 pp
