SIGNATURE TREATMENT

THE VIENNESE LIFT & GLOW RITUAL BY CLEAN BEAUTY CONCEPT

This skin-reviving ritual will tone the facial muscles, release tension, activate the lymphatic system, drain the face from toxins and depuff the face. It effectively diminishes the visibility of fine lines and wrinkles, resulting in a tighter, brighter complexion by using a combination of Gua Sha, Glow Cupping, Dry Brushing, and Cryo-massage techniques, enhanced by the nourishing properties of botanical skincare products.
