THE WILL YOU MARRY ME? WEEKEND

For those wishing to ask the all-important question in the most romantic of surroundings we've created a weekend of unrivalled romance. Upon arrival you'll find your tent supplied with fruit, chilled sparkling wine and welcome chocolates.

Once you have made yourselves at home, our professional guide will be available to take you both for a guided walk along the lakeshore to see the flamingoes. Alternatively, you might like to take a dip in our heated pool. A secluded table for two will be reserved for you in our dining room for lunch, which is served on a five-course, table d'hôte basis. Should you prefer, your lunch can be served on your private terrace overlooking the lake.

In the late afternoon our open-sided land-cruiser will arrive to take you for a game drive which will deliver unforgettable sightings of the rare Rothschild's giraffe, zebra, eland, water buck, antelope, warthogs and buffalo. You will be accompanied by your professional wildlife guide. On the lake side you can enjoy the spectacle of the thousands of pink flamingoes that frost the shore.

As evening draws in, the vehicle will draw up in a particularly beautiful spot in the wilderness, or by the lake, where a surprise encampment will have been set up. There will be lanterns, a table set for two and red roses. When you are seated, a waiter will appear with a bottle of chilled sparkling wine and, having poured it, he will retreat to the back-up safari vehicle parked a few metres away.

Note: included in the cost of your accommodation are the following activities: eco walk around the camp, water-colour painting by the lake, cooking lessons with our chef, badminton, eco-talk, Swahili lessons, early morning yoga on the lakeshore, jogging and badminton.

NOW IS THE MOMENT FOR THE ALL-IMPORTANT QUESTION

Later, the safari vehicle will return and you will be invited to drive a little further into the wilderness where, by the shores of the flamingo-fringed lake, you will find that a romantic bush dinner for two has been prepared. The lanterns will have been lit, and the fire. On hand will be a chef and his team of waiters. There will also be an impromptu bar.

YOUR ENGAGEMENT HAS BEGUN

Later, you can enjoy a romantic night game drive back to the camp. The following morning breakfast can, if you wish, be served in bed or on your private terrace.

Additional experiences can be costed in to this experience such as: sundowners on the cliff top, a horse ride to a lakeside breakfast, an ornithological game drive or even some mountain bike riding. On the following morning, after breakfast in bed, you might like to take in yoga by the lake or spend some time trying your hand at water-colour painting. His and hers massage can also be provided in your tent.
