OUR SPECIALITIES

ALL IN ONE PLACE

✿

For some additional magic, our concierges are happy to provide you with unique experiences in Vienna, such as a horse-carriage ride, the transportation with a limousine, the best beauty salon and so much more...

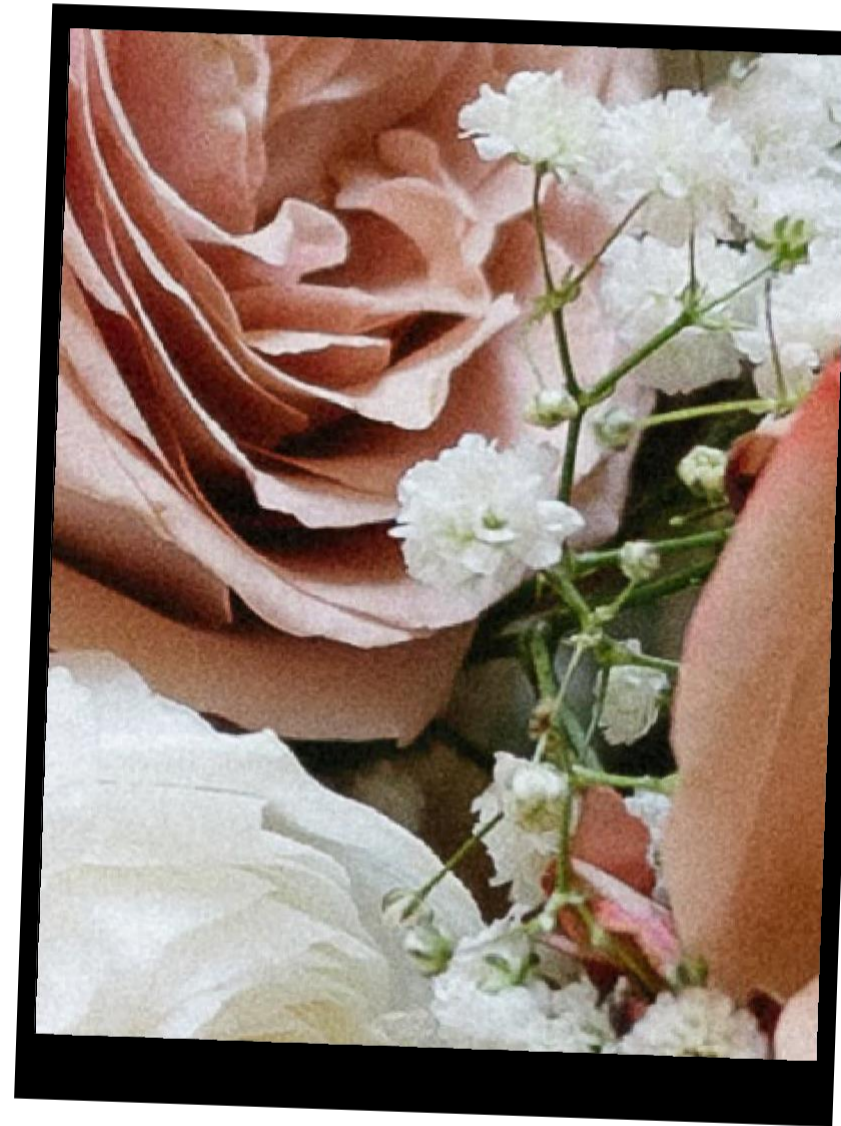

MUSICAL MOMENTS

✿

Our commitment to guest comfort, especially those in nearby rooms, sets the guidelines regarding the noise. To ensure a joyful experience for all guests, we request that music be limited to background dinner melodies with a certain decibel number.

AFTERPARTY EXTRAVAGANZA

✿

To take your party to the next level, we invite you to dance the night away in a vibrant atmosphere in our exclusive club. Sip on signature cocktails to the beat of your favorite sounds in the secret underground space, going from an elegant dinner to a vibrant afterparty.

CEREMONY ENCHANTMENT

✿

In the hotel's stunning state rooms, couples can host their official marriage ceremony amidst timeless elegance. With ornate chandeliers casting a soft glow, vows are exchanged in a regal setting, surrounded by loved ones.
