Modern, cool & inspiring - our meeting rooms are designed so guests feel relaxed, creative and entertained. Our venue is simple & flexible, perfect for meetings, events or functions. Events are not just confined to four walls - ibis Adelaide's unique event spaces will flex to your event. Think floor-to-ceiling natural light overlooking Grenfell Street, with an industrial New York loft vibe - the perfect spot to get together.

# Our Meeting Rooms

# The Junction

## Your Bright Spot

Fully equipped with the latest technology, modern finishes and floor to ceiling windows with ample natural light. The perfect space for your next meeting or event!

# The Hub

## For Focused Conversations

With high ceilings, natural light, contemporary interior and impressive 80-inch high-definition LCD screen, you'll want to choose this room for your next small powwow, talk fest or serious stuff like a board meeting.

# The Engine Room

## For Seamless Meetings

The same ultramodern interior as The Hub with an impressive 80-inch high-definition LCD screen, this room is perfect for a slightly larger consultation, confabulation, or a proper conference. Natural light fills the space, with additional space on the side for setup.

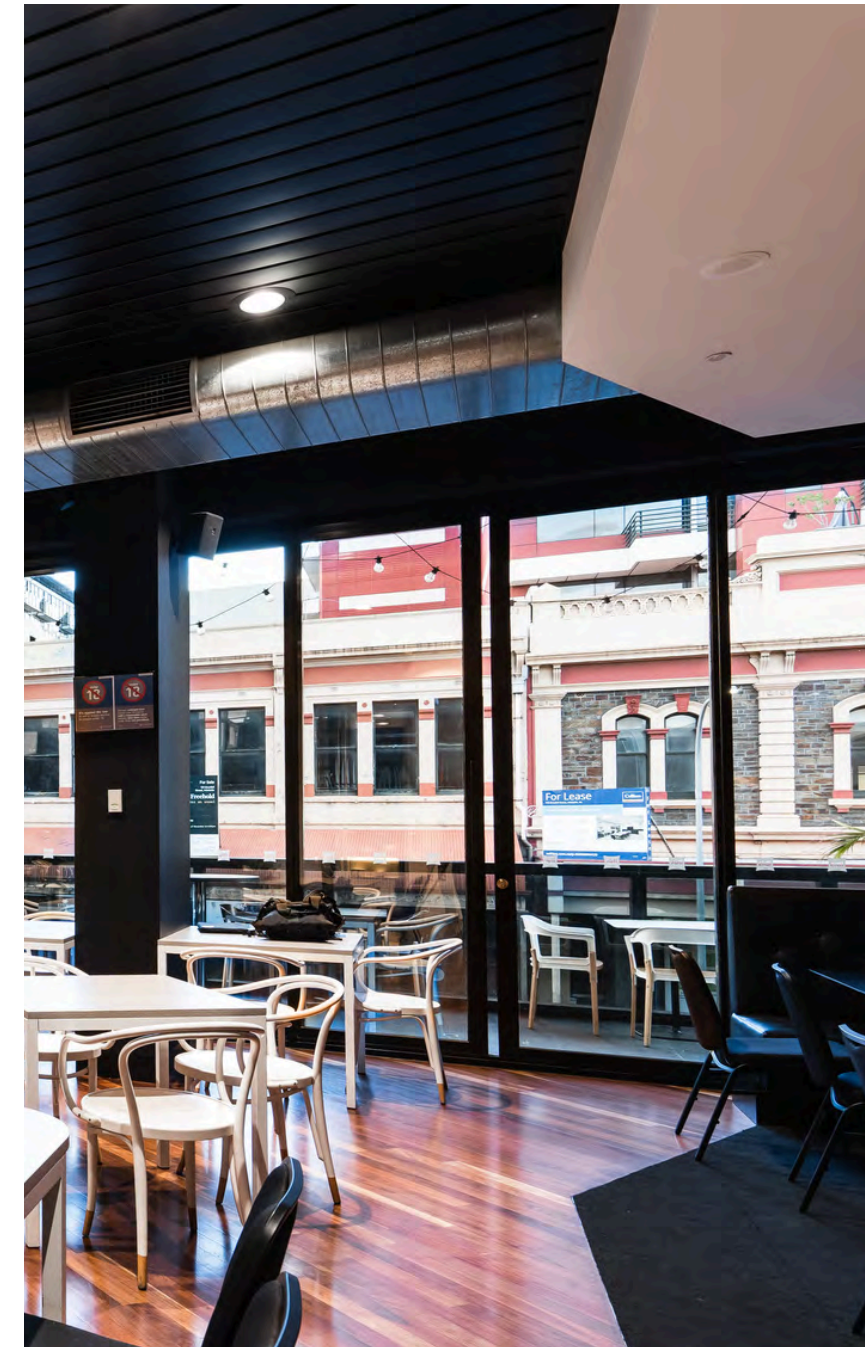

# The Think Tank

## The Super Space

For when only the biggest and best will do, combine The Engine Room and The Hub into a super space for your next meeting, training session, or dinner event. Enjoy abundant natural light, a prime Grenfell Street location, modern technology, and a spacious setting designed for seamless experiences.

# ibis Kitchen & Bar

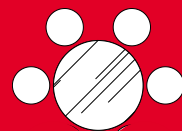

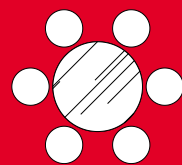

## Your Social Spot

Think beyond the boardroom. Our restaurant, bar, and balcony double as vibrant event spaces — perfect for cocktail parties, team nights, or celebrations that call for a little more flavour.
