Testimonials

Felt Like a Member of Their Family

From the minute we started planning until we checked out, Danielle and all of the Bilmar staff made us feel at home. I went into my wedding week with zero stress. The vendors they recommended were amazing and professional. My day of coordinator, Alyssa, was the absolute best! The rooms were clean, accessible, & what I expected from the description & photos.

We had three guests with Celiac Disease & one vegan, and the Chef was caring, attentive, and educated us on the food. He made special meals for all of them, which weren't like other events where the "substitute" food was a pile of veggies.

Every single staff member from housekeeping, maintenance, and pool attendants was phenomenal. We did not want to leave. We plan on going back again as soon as possible!

Best Day Ever

We booked the Bilmar a year and a half in advance. Their contracts and all kinds of things changer between when we booked and when the wedding was. They honored every single thing we outlined in our contract and then some. Danielle did a fabulous job taking over handling everything that happened in that time frame with a smile on her face. It was not an easy task, let me tell you. Kara, our day of coordinator was AMAZING! The day ran smoothly and without a hitch. Chef did an amazing job with the food and even made my queso fountain dream come true!! Kudos to the entire team!

Dream Wedding Venue

We recently had our wedding at Bilmar Beach Resort, and it was absolutely magical. The outdoor ceremony on the beach was stunning and left our guests in awe. The reception area was equally breathtaking, providing a perfect backdrop for our celebration. The food was delicious, with a wide variety of options that catered to everyone's tastes. The staff were incredibly friendly and attentive, making sure everything ran smoothly. Our wedding coordinator, Danielle, was a lifesaver—she took care of every detail, allowing us to relax and truly enjoy our special day. Thanks to her and the amazing team at Bilmar, we were able to have the wedding of our dreams!
