# THE STEED OF PROSPERITY

Appearing throughout countless masterpieces of ink-wash painting and standing seventh in the Twelve Zodiac Animals, the Horse has long been a symbol of freedom and unrestrained vitality in Eastern culture. Its powerful form, slender frame, flowing mane, and echoing hoofbeats portray resilience and endurance – qualities praised by the ancients in the saying “As distance tests a horse's strength”, and invoked as an auspicious blessing in “May success come galloping to you.”

The image of a horse moving gracefully, adorned with the auspicious red and regal gold of the Lunar New Year, represents a most fortunate beginning. In this upcoming Year of the Horse, Park Hyatt Saigon is honored to present The Steed of Prosperity collection, offering our esteemed guests heartfelt wishes for a New Year 2026 filled with prosperity, fulfillment, and peace.
