STORIES, JEDINSTVENI HRVATSKI HOTELI

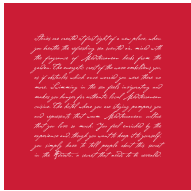

STORIES, CROATIAN UNIQUE HOTELS

Malo je zemalja na svijetu s tako lijepom i raznolikom prirodom kao što je Hrvatska. U samo nekoliko sati možete doživjeti zelene ravnice kakvih nema nigdje, neobične riječne doline okružene brežuljcima, guste, stoljetne šume i strme kamene litice, snježne planine i najljepšu obalu u Europi. Od istoka do zapada, od sjevera do južne, jadranske obale i njezinih 1246 otoka, svaki dio Hrvatske obilježen je prekrasnom, netaknutom prirodom i tra-

govima tisućljetne povijesti. A svaki kutak Hrvatske ima svoju priču, baš kao i svaki hotel unutar Storiesa, lanca jedinstvenih hrvatskih hotela koji je osnovan u sklopu Hrvatske gospodarske komore. Svaki hotel ima svoju priču te nudi autentično lokalno iskustvo kroz jedinstvenu baštinu ili koncepte, vrhunsku lokaciju, posebno gurmansko iskustvo, besprijekoran dizajn i visoko personaliziranu uslugu. Hoteli Stories nalaze se na najzanimljivijim loka-

cijama: skrivenim i osamljenim uvalama, ugniježdeni u gradska središta stara tisuću godina pod zaštitom UNESCO-a ili u palači rimskoga cara, u luksuznom dvorcu koji je nekoć pripadao plemićima ili u vlastelinstvu bogatoga trgovca. Svaki od ovih hotela nadahnjuje autentično, kvalitetno i interaktivno iskustvo koje svoje goste upoznaje s ostavštinom, baštinom i toplim gostoprimstvom hrvatskog Jadrana. Svi zajedno pletu bogatu mrežu

There are few countries in the world that possess such beautiful and diverse nature as Croatia. In the span of a few hours, a traveler can experience unrivaled, verdant plains, quaint river valleys, framed by rolling hills; dense, centuries-old forests and sheer stone cliffs; snow capped mountains and the most beautiful coast in Europe. From east to west, from north to south, to the country's Adriatic coast, and its 1246 islands, every part of Croatia is touched with beautiful, pristine nature and traces of the country's millennial history. And every corner of Croatia has its own story. Just like each hotel within Stories, Croatian Unique Hotels, founded within

Croatian Chamber of Economy, tell its own story offering its own authentic, local experience through unique heritage or concepts, superb location, special gourmet experience, impeccable design and a highly personalized service. Stories hotels are found in the most interesting locations: hidden and secluded coastal coves, tucked away in thousand-year-old, UNESCO protected town centers, or in a Roman Emperor's palace, a luxurious castle once belonging to the nobles, or a rich merchant's manor.

Each of these hotels inspire an authentic, quality and engaging experience that acquaints their guests with the legacy, heritage and warm hospitality of the Croatian Adriatic. All together, they knit a rich tapestry full of scents, colors, tastes and textures that can only be found in this small, remarkable land, Croatia.

Isabella Valamar Collection Island Resort smješten je na najsjevernijem otoku Sredozemlja, na Svetom Nikoli. Otok je nekoć bio samostan, prirodni lukobran za drevni grad Poreč i utočište jedne od istarskih plemićkih obitelji. Danas Isabella Resort nastavlja tradiciju otoka pružajući gostima uslugu s pet zvjezdica koja odražava povijest uzvišenog porijekla u ekskluzivnom smještaju V Level Miramare Suites, Castle ili Villas.

ISABELLA VALAMAR COLLECTION ISLAND RESORT, POREČ, ISTRIA

Isabella Valamar Collection Island Resort rests on the northernmost island in the Mediterranean, Saint Nikola. An island that has served as a monastery, a natural breakwater for the ancient town Poreč, and a retreat of elegance for one of Istria's noble families. In the late 19th century it was under the stewardship of Marquis Polesini, an artist, naturalist, and gourmand who enjoyed the island's beauty, nature, and fine cuisine. Today, Isabella Resort continues the island's tradition by providing guests with five star service reminiscent of the island's high-born history in their exclusive V Level Miramare Suites, Castle or Villas.
