The History Behind "Welcome Summertime"

"Welcome Summertime" had its first debut in 1981 and continued to be a tradition. Being one of his favorite events the Rod 'N' Reel has done, Gerald Donovan wanted to bring it back. Now, we are continuing the tradition. Last year we started Welcome Summertime again, to ring in the summer with fun events for you, your friends, and family. This year, the tradition continues. We hope you enjoy your weekend with us!
