The nearest parkade is the Scotia Square Parkade, situated at 1901 Albemarle Street, Halifax, NS, B3J 3L9. Parking rates are calculated on an hourly basis at \$4.50 per hour, with a weekday maximum of \$26 plus HST (Monday to Thursday) and a reduced rate of \$24 plus HST on weekends (Friday to Sunday). Guests have the option to bring their parking ticket to the front desk for validation at the same cost (\$26 plus HST on weekdays or \$24 plus HST on weekends), granting unlimited in-and-out privileges within a 24-hour period. Please note that ticket validation for unlimited access must be processed exclusively at the Front Desk, as the parking gates will default to charging hourly rates or the daily maximum upon each entry or exit.

Once parked, take the elevators to level P1, turn right and follow the indoor walkway (To Barrington Hotel / Purdy's Wharf). You will pass a Tim Hortons, go up a small set of stairs (ramp available) and cross the pedway, where you come to an escalator. Immediately to the right of the escalators is an elevator which you can take to Level B, turn right and the lobby is at the end of the hall (right hand side, glass doors). If you use the escalators, at the bottom, make a left-hand U turn and follow the long hallway (walking past the RBC ATM) until you reach the lobby entrance (right hand side, glass doors).
