

SUSTAINABILITY REPORT

january - march 2022

Corporate Social Responsibility

As part of the Corporate Social Responsibility, Porta Hotels offers the training opportunity to its community, generating alliances and facilities together with INTECAP, for training people in Restaurant Administration.

Women's Day Commemoration

In commemoration of Women's Day, Porta Hotel Antigua participated in the Campaign: "Gender Equality Today, For a Sustainable Tomorrow" raising awareness of the inclusion of women in the different operational positions of our organization, as well as respect, growth opportunities and equal recognition

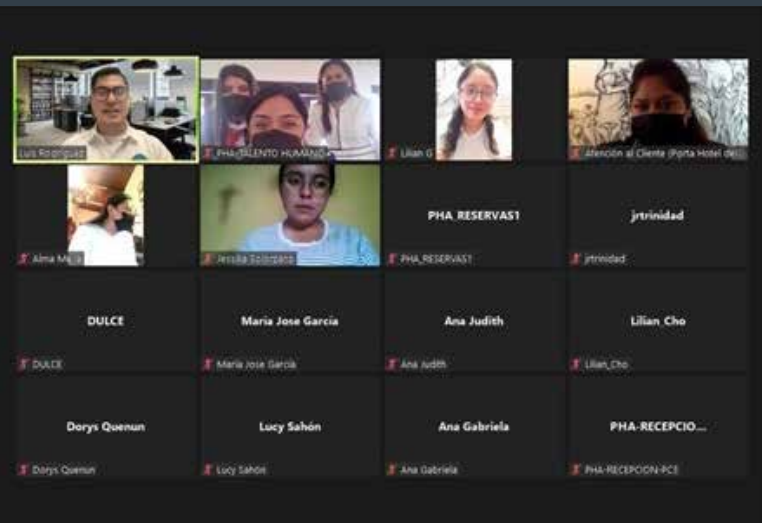

SUSTAINABILITY REPORT

january - march 2022

Financial Education for Women

To promote the growth and financial independence of women, we organized the training: "Financial Education for Women" with the support of SHEVA-TIGO

Competitiveness Table for Sacatepéquez

As one of the business objectives for the development of the destination where we operate, Porta Hotels actively participated in the Competitiveness Table for Sacatepéquez, generating alliances and proposals for the promotion of tourism and entrepreneurship in our communities.

We continue vaccinating!

Taking care of the health of our collaborators, their families and the community, Porta Hotels created alliances with the Guatemalan Institute of Social Security, achieving the following vaccination days:

- 188 vaccinated in the COVID vaccination day (1st, 2nd and booster doses)
- 89 vaccinated against influenza
- 214 vaccinated Pneumococcus -23 (asthma, bronchitis and meningitis)
