## Looking for Things to Do This Weekend? Here's Where to Go (and What to Wear)

*Not long ago, you might have found yourself all dressed up with nowhere to go. Or, more likely, you weren't dressed up at all. But that was then, and this is now—and looking ahead the cultural calendar is quickly filling up with openings and exhibitions.*

This weekend's lineup includes the Aspen Art Museum's ArtCrush programming—don't miss the Prada Outdoor pop-up. Over in New York's Rockaway Beach, you'll find a dance party courtesy of MoMA PS1. And there's a new social club in Boston with interiors by Ken Fulk that are surely worth checking out. More things to do—and what to wear—below:

### 2021 MoMA PS1 Warm Up, The Rockaways, Brooklyn, New York

*August 8, 15, and 22*

MoMA PS1's outdoor music series, Warm Up, returns in August with both in-person and online programming, only the beloved dance parties now have a new home. The Rockaway Hotel will host all three DJ sets in the property's Harbor Room and on the adjoining, outdoor Sun Deck. Given the venue's proximity to surf-friendly waters, why not turn up after a day on the waves in a Cynthia Rowley suit? Pair it with some lace-up Tkees, shades from the new Persol x JW Anderson collaboration, and (of course!) some sunscreen.
