SECURITY

Living at La Trobe Night Managers conduct regular patrols throughout the accommodation precinct. You may see and hear these staff members checking that entrance doors are secured and ensuring that all residents feel safe.

If you have any concerns regarding security issues or noise complaints, please contact **(03) 5444 7425** or **0407 270 540**.

In addition to accommodation Night Managers, La Trobe University provides 24/7 campus security to help ensure the safety and wellbeing of all students and staff. As part of this, the Uni-Safe Service offers after-dark escorts by Security Officers to help you feel safe moving around campus at night. This free service is available to escort you:

- Between campus buildings
- To campus car parks
- To on-campus accommodation

To request the Uni-Safe service or report a security concern, contact La Trobe Security – **Bendigo: (03) 5444 7349** or **0418 510 010**, **Wodonga: 0448 091 912**.

Nitrous oxide canisters are prohibited on campus.

It's important to know that [nitrous oxide can be dangerous](#). Ingesting even small amounts can lead to dizziness, blackouts, injuries, or long-term nerve damage.

Improper use and disposal of nitrous oxide can also create a fire and explosion risk, particularly when canisters are left near heat sources, electrical equipment or in bins.

We remind you that all students must comply with La Trobe's [Living at La Trobe Rules of Residence](#) and the [Student Behaviours Policy](#).

Breaches of this policy may result in serious consequences, including disciplinary action.

Your safety and wellbeing matter. If you're worried about your or someone else's substance use, confidential support is available from our [Wellbeing Services](#).

If you have experienced or witnessed concerning behaviour you can contact [Safer Community](#).

If you or someone else is in immediate danger, call **000** in an emergency and notify La Trobe Security on **(03) 9479 2222**.

CHECK-IN

Before you arrive, there are a few important steps to complete to ensure a smooth move-in experience.

Complete Your Booking Checklist

In your Conditional Offer, you'll find a checklist outlining the tasks required to finalise your accommodation booking. This checklist must be completed at least one week prior to your contract start date in order to receive email confirmation of your booking.

Payment

Your accommodation booking will only be confirmed once the following payments are received in your residential account:

- \$1,000 bond
- \$130 departure cleaning fee

STUDENT ID & ROOM ACCESS

We recommend arranging your La Trobe University Student ID before your check-in day, as this card will be activated to provide access to your accommodation.

- If you haven't received your Student ID by check-in, a temporary guest card will be issued, valid for a limited time until your Student ID is available.
- RMIT and Wodonga TAFE residents will also receive a guest card until they obtain a La Trobe-issued Student ID.

For more information on how to order and collect your student ID, please refer to the [La Trobe University Student ID Cards page](#) (LTU Students only).

Lost Access Cards

If you lose your Student ID card, please report it to Living at La Trobe Reception as soon as possible. For your safety, we will immediately cancel residential access linked to the lost card.

You'll be issued a temporary guest access card, valid for 28 days, giving you time to order a replacement Student ID.

A \$45.00 fee will be added to your account for the temporary card — this fee will be removed once the guest card is returned.

Lock Outs

If you're locked out of your room or the card reader on your door is showing a red light or no light at all (normally it should illuminate green), please contact the Living at La Trobe Reception on **(03) 5444 7425** for Bendigo and **(02) 6024 9719** for Wodonga.

CONDITION REPORT

When you arrive, a Condition Report will be emailed to your registered email address. This document outlines the condition of your room at the start of your stay and gives you the opportunity to ensure everything is recorded accurately.

Please take a few moments to:

- Review the report carefully
- Add any comments or upload photos if something doesn't match what you see
- Return the completed report to Living at La Trobe within three business days of moving in

Make sure to keep a copy for your records — you'll need it at the end of your stay during your final room inspection.

At the end of your stay, Living at La Trobe may assess and deduct part or all of your bond for cleaning, repairs, or missing items. However, if these issues were already noted in the Condition Report at the start of your agreement, it can help support the return of your full bond.

For more details, refer to the Rules of Residence – Section 3, "C. Condition Reports."

RENTAL PAYMENTS

Direct Debit

Enjoy a seamless and stress-free rental experience with our Direct Debit payment option! Direct Debit ensures your rent is paid automatically — no reminders, no late fees.

To use Direct Debit, you'll need an Australian bank account.

To sign up for Direct Debit:

1. Log in to the Residential Portal
2. Select 'Your In-Room Direct Debit'
3. Enter your bank details and follow the prompts

Say goodbye to payment hassles and hello to a more convenient and efficient way to manage your rent!

Online Portal Payment

Alternatively, rental payment can be made online through the Residential Portal. Once payment is made, please allow 3–4 business days for it to be processed from your bank account and credited to your Residential Account.

TEST & TAG OF ELECTRICAL EQUIPMENT

When moving on campus, you're welcome to bring a range of personal electrical appliances. To ensure the safety of all residents, any appliance that plugs into a wall (excluding chargers and extension cords) must be tested and tagged by a licensed electrician before use.

What needs to be tested and tagged?

Examples include, but are not limited to:

- Mini fridges
- Hair styling and skincare appliances
- Kitchen appliances (air fryers, rice cookers, blenders, toasters, coffee machines, etc.)
- PCs, desktops, and TVs
- Alarm clocks
- Speakers, CD players, and radios
- Vacuums

Free Testing on Move-In Day

Living at La Trobe offers free test and tag services on the official Move-In Day at the start of the academic year, and again for the mid-year intake.

If you move in outside of these periods, you'll need to arrange and cover the cost of test and tag services before using your appliances in residence.

In accordance with the Rules of Residence, please note that if you connect an untested appliance and it causes damage to the electrical system or property, you may be held responsible for the cost of repairs, unless the appliance has been properly tested and tagged by a licensed electrician.

To avoid any issues, ensure all eligible appliances are tested and tagged before use.

Please refer to the Rules of Residence, Section 6 – C. Electrical Items for more information.

VISITORS

In accordance with the Rules of Residence, you may have visitors between 08:00am and 10:00pm, at any time other than SWOTVAC and exam period. Any overnight stays must be registered at the Living at La Trobe reception. Please be considerate of your neighbours as after-hours noise restrictions apply. Please note, we do not provide short-term accommodation for those who are not La Trobe students or staff.

Please refer to the Rules of Residence, Section 7 – Visitors and Guests.

INTERNET ACCESS

All students can access the La Trobe University “eduroam” wireless internet network. You will need to login with your university supplied username and password, which is the same login that is used for your enrolment via Student Online and your LMS.

If you have problems logging into the Wi-Fi, visit the Ask La Trobe Desk in the Library (located in the Student Union Building, Bendigo or in AW4 for Wodonga).

Note: If you are a non-La Trobe student or a guest, login information can be provided upon request from Living at La Trobe staff.

Please refer to the Rules of Residence, Section 10 – b. Internet Usage for more information.

MAIL COLLECTION

Letters and parcels are accepted by the mail room and then distributed to the Living at La Trobe office. Once your mail arrives on campus, our team will sort it and you will receive an email notification when it is ready for collection. Please bring your Student ID when collecting your mail from the Living at La Trobe office.

CLEANING AND MAINTENANCE

Cleaning

Common spaces, such as kitchens, hallways, bathrooms and laundry areas, are cleaned regularly by campus cleaning staff. This includes general surface cleaning and floor vacuuming; however, residents are expected to maintain the cleanliness and hygiene in these shared areas. To support you in keeping your private room clean, vacuums are available in each building.

Residents are responsible for maintaining cleanliness of their room.

Residents will be given prior notice if Living at La Trobe requires entry for cleaning, maintenance, security, or other reasonable University purposes.

Rubbish Disposal

Residents are responsible for collecting and disposing of all rubbish from their personal rooms. Bins are provided in the common areas of each college for general waste disposal and are emptied regularly by cleaning staff. If these bins become full between scheduled cleans, residents must dispose of this rubbish in the external bins provided.

The disposal of hard rubbish is the responsibility of the resident. Hard rubbish must not be left or abandoned anywhere on campus at any time. Surveillance footage is in operation and may be used to identify offenders.

For more details, please refer to the Rules of Residence, Section 9 Cleanliness and Hygiene.

Maintenance

If you notice any damaged items or maintenance issues, you can submit a request through the Residential Portal under the My Maintenance section. Once submitted, our Living at La Trobe staff will review and approve the request, and a contractor will be arranged to complete the required work.

If the repair requires access to your private room, you'll be asked to provide consent for entry. If you would prefer to be present, a mutually suitable date and time can be arranged.

COMMON FACILITIES

Kitchens

There is at least one kitchen in each accommodation building. Kitchens are furnished with a stove, oven, exhaust fan, fridge, freezer, kettle, and toaster. Small appliances such as cooking utensils, cutlery, pots and pans are not provided by Living at La Trobe, please make sure to bring your own.

Common kitchens are cleaned regularly by campus cleaners as part of a general clean-up. Please note that unattended dirty dishes will be moved to a designated tub. Any items still in the tub by Wednesday will be disposed of.

Residents are expected to maintain overall cleanliness and hygiene in shared spaces. Keeping these areas tidy helps ensure a comfortable and respectful living environment for everyone.

Laundry Rooms

Each college is equipped with a laundry facility, available free of charge for all residents. These spaces include washing machines and dryers for your convenience. Please ensure the laundry area is kept clean and that you collect your laundry promptly — for your own peace of mind, do not leave clothes unattended.

Please note that washing machines are compatible with liquid detergent only, which must be supplied by the resident.

In Hillside, Units and Orde, any loose items left on benches or on top of machines will be placed in the lost property tub located in each laundry. (Not applicable for Terraces, Villas or Wondonga.) These tubs are emptied by cleaners when full, so please check it promptly if you've misplaced anything.

ADVERTISING AND MEDIA

Living at La Trobe must approve all advertising and signage (including any promotional material whatsoever) and placement locations within the Student Accommodation precinct, and it must conform with the standards set out in these Rules.

Requests must be made to the Living at La Trobe Office either directly or via the [Student Accommodation Enquiry Form](#). All requests will be considered within 48 hours.

Approved advertising or signage will be signed or stamped by Living at La Trobe indicating that it has been approved for distribution within Student Accommodation.

EVENTS AND ACTIVITIES

The Residential Life Program works alongside your Residential Leaders to provide you with a range of events and support, acting as a gateway to the wider community. It presents you with a variety of events and experiences covering five tenets of the program: Social, Community, Academic, Cultural, Health and Wellbeing.

These include on and off-site events, competitions and incredible academic opportunities. The monthly schedule and posters for these events will be put up in each College. All events require you to register early through the student Portal.

If Residents wish to hold an event or similar activity outside of what the Residential Life team organise, they must first seek the approval of Living at La Trobe. Disciplinary action may apply if Residents engage in unapproved events or activities within Student Accommodation.

FIRE ALARMS

Alarm Activation/Triggers

To avoid triggering fire alarms, cooking appliances such as rice cookers, air fryers, and microwave ovens are only permitted in designated kitchens within Student Accommodation. These appliances must not be used in bedrooms or other unauthorised areas.

Similarly, to prevent accidental alarm activation, items such as aerosol deodorants, hair sprays, hair dryers, and hair straighteners should only be used in bathrooms, not in individual rooms or common areas.

In accordance with the Rules of Residence, please note that the use of air diffusers, humidifiers, incense, candles, smoking products, and vaping devices is strictly prohibited in all Student Accommodation buildings and rooms.

Number of offences/cause	Cooking fumes, steam, aerosol, hair tools	Smoking or vaping	Tampering with or misusing fire equipment
First time	Warning	\$500 cost recovery fine + warning	\$3,500 cost recovery fine + fire equipment replacement/repair cost + final warning
Second time	\$500 cost recovery fine + final warning	\$3,500 cost recovery fine + final warning	\$3,500 cost recovery fine + fire equipment replacement/repair cost + eviction notice
Third time	\$3,500 cost recovery fine + eviction notice	\$3,500 cost recovery fine + eviction notice	

Assembly Point

In the event that a fire alarm is activated, all residents and individuals must evacuate immediately and proceed to the designated assembly area for that building. Assembly area details can be found by selecting your campus below:

- Bendigo campus; and
- Albury Wodonga campus.

Residents must remain in the assembly area until advised by Living at La Trobe staff or the fire brigade that it is safe to return. It is essential to follow all instructions from University personnel — compliance is mandatory.

Failure to evacuate may result in your accommodation status being placed on probation, and you may also incur a fee, as outlined in the Rules of Residence.

Please refer to the Rules of Residence, Section 6 – Security, Fire Prevention, Emergency Management and Safe Use of Facilities.

HEATING AND COOLING

The centralised temperature system in Villas, Hillside Apartments and McFarlane's Hill has been set to 'cool' over the summer period and will be changed to 'heat' mode when cooler weather approaches. Heating is provided within all college residences. If your heating is not working, please contact lairegional@latrobe.edu.au team to get the issue resolved.

Note: Air conditioning is unavailable in Terraces and Units at the Bendigo campus, we recommend residents bring a free-standing fan during the warmer months.

If your heating/cooling is not working, please submit a maintenance request through your Residential Portal so we can resolve the issue for you.

CAR PARKING

Bendigo

La Trobe University offers a range of permit and payment options to suit how frequently you park on campus. All parking is ticketless, so there's no need to display a ticket on your vehicle.

vPermits or virtual permits are recommended for full-time and part-time staff and students parking regularly. Annual and 6 month permits are available for students.

Please visit [vPermit](#) for more information and how to apply.

Wodonga

Parking on the Wodonga Campus and Albury-Wodonga is free!

Note: You park at your own risk. The University does not accept responsibility for any damage, accidents, or losses that may occur while your vehicle is on campus.

EARLY TERMINATION

If you intend to end your accommodation agreement early, please [click here](#) to fill out the departure form and notify living@latrobe.edu.au with your intended departure date, your reason for terminating, and any supporting documentation.

Notice Period

To process your termination, we require a minimum two weeks' notice prior to your intended departure date. Please confirm your intended departure date via email, as we require this information to update your contract and account.

Early Termination Fees

In accordance with the Rules of Residence, if you are terminating your agreement before the original contract end date, the following fees will apply (as per your contract):

- A cancellation fee equivalent to 28 days' rent
- Payment of all outstanding debts and fees

In some cases, early termination may be approved without fees, but you must provide valid reason and supporting documentation, such as:

- Health & Wellbeing: Letter from a registered health professional
- Financial Hardship: Recent payslips, Centrelink statements, or other income-related evidence

Please note that the compulsory Departure Cleaning Fee of AUD\$130 must be paid, regardless of if the request is approved with or without the termination penalties, as per the Rules of Residence.

Please refer to the Rules of Residence, Section 12 – Early Termination of Residential Agreement for more information.

CHECK-OUT

Process

You are required to vacate your room by 10:00am on the day of your departure (your contract expiry date). Please ensure that all personal belongings and non-perishable food items are removed from your room and fridge and disposed of properly.

Your room must be returned to its original condition, as it was when you arrived. If you're unsure, refer to your Condition Report for guidance.

Additional charges may apply if your room is found to be unclean or damaged upon departure.

Before you leave, you must visit the Living at La Trobe Office to finalise your check-out in the system. All contract fees must be paid in full unless you have an approved early termination in place.

A \$130.00 departure cleaning fee is required at the time of departure. Please note that your bond cannot be used to cover unpaid debts, including rent or the departure fee.

Bond Refund

To apply for your bond refund at the end of your contract, you'll need to log in to your Residential Portal and complete the "My Refund Information" section. To avoid delays, please ensure your refund details are filled out accurately before your departure.

After you've checked out and all outstanding fees have been paid, an outgoing inspection of your room will be conducted. If the inspection identifies any issues — such as damage or lack of cleanliness — deductions may be made from your bond. Please refer to your Condition Report to understand the expected room condition.

Please allow up to four weeks for the bond refund process to be finalised. Providing the correct information will help ensure a smooth and timely refund.

For all bond refund enquiries please contact: lalbondrefunds@unilodge.com.au.

Please refer to the Rules of Residence, Section 4- B. Bonds and Bond Refunds for more information.

BUSHFIRE SAFETY

The Bendigo and Wodonga Campuses are located in a regional area next to a large national bushland which is considered a bushfire risk especially in summer months.

Bushfires can:

- Be very hot and intense
- Produce dangerous levels of radiant heat even from a distance away
- Produce a large amount of thick toxic smoke that can reduce visibility
- Produce embers that can travel in strong winds from far away and land for a long time after the fire has passed
- Cause trees to fall, particularly in high winds
- Involve both heavy fuels that will burn very hot for long periods of time and fine fuels (the thickness of a pencil or less) that will burn very fast.

During the summer months it is important to check the Fire Danger Rating.

If it's a Code Red Living at La Trobe will send out communication to residents with any advice for the Code Red Day.

SNAKE SEASON SAFETY

Snake Season starts when the mild, warm weather becomes consistent usually around September 1st. Snakes will avoid people if they can. If they feel threatened and unable to escape, they will defend themselves.

Some things to remember:

- Keep doors closed: snakes will look for cool spots to hide and get out of the hot weather which is usually inside. To stop this from happening ensure front doors are always kept closed
- Keep food stored away: Snakes will be hunting for food. Ensure dishes are cleaned and food is stored away so pests are not attracted inside.

If You See a Snake

DON'T:

- Panic! If you panic the snake is more likely to react because it feels threatened
- Try and catch, chase or pick up the snake
- Try to kill or threaten the snake

DO:

- Call either Living at La Trobe (5444 7425 or 0407 270 540) OR Security on 0418 510 010
- Keep an eye on the snake while you call from a safe distance (5 meters) until help arrives

If You Get Bitten

Stay calm and try not to panic. Call for help immediately triple zero (000) and then the Living at La Trobe Office on (03) 5444 7425 for Bendigo, or (02) 6024 9719 if you are located in Wodonga.

DON'T:

- Wash out the wound
- Cut the wound
- Try to suck out the poison
- Apply a tourniquet

DO:

- Stay as still as possible and lay down
- Apply a broad bandage pressure (Living at La Trobe Staff can help with this)
