GUILFORD LANE

Our Guildford Lane spaces mirror this atmosphere, offering flexible layouts and natural light, most ideal for workshops, boardroom meetings and small conferences, with the ability to expand for larger groups.

MEYERS PLACE

Meyers Place captures the energy of Melbourne's evolving laneway culture. With roots in the city's early trade history, it later became part of Melbourne's laneway revival, helping shape the vibrant dining and bar scene the city is known for today.

Our Meyers Place event space reflects this transformation, a modern, light-filled venue designed for presentations, workshops and networking events, combining functionality with a distinctly local edge.

FLOYD'S

On Level 2, Floyd's Bar offers a more relaxed and playful social environment, perfect for pre-dinner drinks, networking events, or late-night celebrations.

The space encourages interaction and flow, making it well suited for standing events, casual functions and group bookings that prioritise atmosphere and connection.

Its elevated position within the hotel creates a sense of exclusivity while still feeling warm and approachable.

PRETTY BOY

On Level 1, Pretty Boy Bar & Restaurant presents a refined dining experience that blends contemporary inspiration with bold, seasonal flavours and a strong Melbourne identity.

The space is designed to feel vibrant yet sophisticated, making it ideal for group dinners, celebrations, cocktail-style events and seated functions.

With a menu centred around premium Victorian produce, handcrafted pasta, quality cuts, as well as plant-forward dishes, Pretty Boy delivers a confident culinary experience suited to both intimate gatherings and larger social events.

The atmosphere balances energy and elegance, creating a setting that transitions seamlessly from business dining to evening celebrations.

Pretty Boy
Bar & Restaurant

Located on Level 3, Guildford Lane and Meyers Place offer versatile, contemporary event spaces designed to suit a wide range of functions. Guildford Lane features flexible layouts and natural light, making it ideal for workshops, strategy sessions, boardroom meetings, private dining, celebrations and conferences. Meyers Place provides a refined setting for presentations and seminars, team workshops, private dinners and networking events, combining modern functionality with a professional and engaging atmosphere.
