Meetings & Events
2026/27

The background of the entire page is a photograph of a modern city skyline. In the foreground, there is a swimming pool with clear blue water. A person wearing a black swimsuit and a white sun hat is sitting on the edge of the pool, looking at a tablet. The pool is surrounded by a wooden deck. In the background, there are several tall, modern buildings with glass facades and balconies. The sky is clear and blue.

THE DESTINATION

Brisbane, the capital of Queensland, is a cosmopolitan and lively city that is home to many different types of scenery, including skyscrapers, parkland and even an artificial beach. Brisbane is a river city, although close to the coast, with Brisbane River running through it.

There is no shortage of major attractions to visit and explore in Brisbane. Across the river from the CBD, South Bank is home to our Cultural Centre with world-class galleries and entertainment. Board the Brisbane Explorer and enjoy some of the city's most iconic sights. The Brisbane Explorer winds through the CBD and past notable landmarks including the Story Bridge; where you can do a bridge climb and experience the panoramic views across the city.

The Sebel Brisbane is located in the heart of the Brisbane City CBD just steps from the Queen Street Mall shopping precinct, Casino, Cultural Centre and Brisbane Convention & Exhibition Centre. Blending the peacefulness and convenience of a private apartment with the amenities and personalised hospitality of a full-service hotel, The Sebel Brisbane is the ideal choice for business and holiday accommodation in Brisbane City.
