

## Catalina Room Information

Cairns Harbour Lights is an ideal location for product launches, incentive programs and corporate retreats, offering a variety of unique event locations, all designed to ensure your function is a success. The naturally lit 'Catalina Room', located on the lobby level, is an elegant mid-sized venue, perfect for intimate meetings and conferences and features a private entry access directly onto the Cairns boardwalk.

With the latest technology, the Catalina Room features a fully automated audio visual presentation system incorporating a data projector, screen, television, CD/DVD player and VCR. Audio Visual equipment hire lists are available upon request.

Please note amplified music is not allowed in the Catalina room, curfew is 2200
