OUR WINE SELECTION

Carefully curated by our team of seasoned sommeliers, our wine menu features the complete collection of Henri Giraud Champagne with a fascinating history dating back to the 17th century, and over 200 handpicked wine labels that are sourced from 10 countries, from small boutique producers and well-known wineries to exceptional fine wines from château and domaines. With a focus on quality, most of these producers practice sustainable, organic and/or biodynamic viticulture.

Exquisite culinary creations prepared by Michelin-starred Executive Chef Lai Ching Shing complete the gastronomic experience at Jade.

SOMMELIER'S RECOMMENDATIONS

Our wine experts never settle in our hunt for up-and-coming producers, legendary masters, and coveted labels that define the art of wine. Collectively, we taste over 1,000 wines a year and offer only those that exceed the expectations and pair perfectly with our exquisite Cantonese cuisine.

WHITE

|------|--|---------|
| 2020 | Grüner Veltliner, Kamptal Terrassen, Bründlmayer, Kamptal, Austria
<i>A lovely white with clean and fresh white fruits and discreet lemon aromas. Medium-bodied, aromatic and very juicy, this is an elegant, mineral-structured Veltliner that perfect match with steamed seafood with garlic.</i> | \$720 |
| 2018 | Beaune 1er Cru, Beaune du Château, Domaine Bouchard Pere & Fils, Burgundy, France
<i>The domaine has been producing this cuvée since 1907. This wine which is blend of several premier cru vineyards, vinified separately, demonstrates the different facts of the terroir of Beaune.</i> | \$950 |
| 2018 | Meursault
Domaine Pierre Morey, Burgundy, France
<i>If Domaine Leflaive is the best burgundy white wine estate, Pierre Morey will be the hero of it. He was the Cellar Master of Leflaive for 20 years. During his time at this notorious estate, he converted both Leflaive and his own vineyards to biodynamic farming. Pierre Morey combined this high profile position and running domaine in Meursault, difference from Leflaive's strong fruit concentration, it presnet a delicate and elegant style with full balance of minerality.</i> | \$1,880 |

|------|---|---------|
| 2021 | Morgon, Côte du Py, Domaine Jean Foillard,
Beaujolais, France
<i>Jean Foillard, Master of Natural Wine in Beaujolais, this winemaker took no time in exalting the terroirs of Morgon and the Côte du Py, with wines that are as silky and suave as they are concentrated and made for cellaring. An unmissable signature, one of the most sought-after in the region</i> | \$950 |
| 2019 | Pinot Nero, Podere della Civettaja
Tuscany, Italy
<i>Podere della Civettaja is the concrete realization of Vincenzo Tommasi's daydream - considered by many to be more madness - to give life in Tuscany, in the valleys of the upper Casentino, to expressions of Pinot Noir in full French style. It is much more than just a wine, it is the liquid personification of Vincenzo Tommasi and his thirst for Burgundy</i> | \$1,050 |
| 2006 | Château Pontet Canet, 5ème Cru Classé, Pauillac
Bordeaux, France
<i>Situated next to Mouton Rothschild, Pontet Canet has inspired others on both banks to work more organically as well as consider biodynamic farming. Chateau Pontet Canet became the first major Bordeaux wine producer to earn the official Agence Bio (AB) organic certification. As the results of fully biodynamic, Pontet Canet did not go unnoticed by one of the most important Bordeaux negociants of the day.</i> | \$2,280 |

ORIENTAL SELECTIONS

CHINESE HUANGJIU

Best served at room temperature

A Chinese alcoholic beverage that is most popular in the Jiangnan area, Huangjiu is brewed by mixing boiled grains including rice, glutinous rice or millet with qu as starter culture, followed by saccharification and fermentation at around 13°C to 18°C. Its alcohol content is typically 16% to 20% with a flavour profile resembling a dry Oloroso sherry.

NATURAL WINES

Natural wine is farmed organically and/or biodynamically and made (or rather transformed) without adding or removing anything in the cellar. No additives or processing aids are used, and 'intervention' in the naturally occurring fermentation process is kept to a minimum. As such neither fining nor (tight) filtration are used. The result is a living wine, wholesome and full of naturally occurring microbiology.

PÉTILLANT NATUREL

Sparkling wine made in the méthode ancestrale, meaning the wine is bottled before primary fermentation is finished, without the addition of secondary yeasts or sugars. The style is fresh and off-dry usually.

SPARKLING WINES

CHAMPAGNE – HENRI GIRAUD COLLECTION

Champagne Giraud can trace its history as far back as 1625 when François Hémart settled in the village of Aÿ in the heart of Champagne and acquired vines.

They bring the quintessence of Pinot Noir and of the exceptional Aÿ Grand Cru terroir. Its distinctive identity is elevated by the unapologetic use of oak from Champagne's Argonne Forest during the vinification and raising of its Champagnes. It results in Champagne of strong personality, unique saltiness, minerality and energy.
